Re: No. 21-1145, *Molina Healthcare of Illinois, Inc. v. Prose*

Dear Clerk Harris,

I represent respondent in the above-captioned matter. The petition for a writ of certiorari in this case was filed on February 14, 2022. On March 16, 2022, you granted respondent's application to extend the time to file the brief in opposition from March 21, 2022 to April 20, 2022.

Respondent respectfully requests, under Rule 30.4 of the rules of this Court, an additional 7-day extension of time to and including April 27, 2022, within which to file a brief in opposition. The extension is warranted because key members of respondent's legal team have been ill with COVID-19, hindering preparation of the brief.

On April 14, 2022, counsel for petitioners confirmed that petitioners consent to the requested extension.

Thank you very much for your time and assistance in this matter.

Very truly yours,

Tejinder Singh
