Re: *Eric Lund v. Jeffrey Datzman, et al.*, No. 21-1179

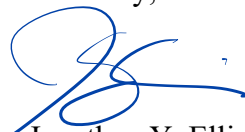

Dear Mr. Harris:

I am writing on behalf of Respondents City of Vacaville, County of Solano, and the employees of those localities (the non-State respondents), in No. 21-1179, to request an 8-day extension of time pursuant to Rule 30.4 for the filing of the non-State respondents' brief in opposition, which is currently due on May 18, 2022. With the extension, the brief in opposition would be due on Thursday, May 26, 2022.

Undersigned counsel was recently retained by the non-State respondents for proceedings in this Court and has not previously been involved in this litigation. I am requesting this extension to allow time to analyze the complex history of this case and related proceedings involving petitioner and the legal issues raised by the petition for a writ of certiorari.

I have consulted with petitioner's counsel, who has conveyed that in light of the limited extension I am seeking and the reasons provided, petitioner consents to this extension notwithstanding his April 18, 2022 letter objecting to any extensions.

Sincerely,

Jonathan Y. Ellis
