Re: *Day & Zimmermann NPS, Inc. v. Waters, et al.*, No. 21-1192

Dear Mr. Harris:

I represent Respondents in this matter. I respectfully request the time to file a response be extended by 14 days, to and including May 11, 2022. See Rule 30. Among other things, Respondents' counsel had multiple oral arguments scheduled in district and appellate courts in various locations across the country that prevented dedicating the time necessary to file a thoughtful response to the petition.

Moreover, since Day & Zimmermann's petition was filed, the Chamber of Commerce filed an amicus. In addition, additional briefs were filed in *Canaday v. The Anthem Companies, Inc.*, Docket No. 21-1098, a similar petition for writ of certiorari. These developments must be considered in formulating our response.

Thank you.

Very truly yours,

Michael A. Josephson
