Re: *Oklahoma v. Wadkins*, No. 21-1193

April 22, 2022

Dear Mr. Harris:

The Oklahoma Indigent Defense System represented Mr. Wadkins in the appellate proceedings before the Oklahoma Court of Criminal Appeals in the matter for which the State of Oklahoma now seeks certiorari review.

Mr. Wadkins received appellate relief from the Oklahoma Court of Criminal Appeals in Case No. F-2018-790 on October 28, 2021, and the mandate was issued on November 29, 2021. After first seeking an extension of time, the State of Oklahoma filed a Petition for Writ of Certiorari on February 25, 2022, and this matter was placed on the docket on March 2, 2022.

Respondents' response to the petition was due on April 1, 2022, and this Court granted an extension until May 2, 2022. Pursuant to Supreme Court Rule 30.4, I write to request an eight (8) day extension of time to file a response to the petition in this case to May 10, 2022. Petitioner does not object to this extension.

Counsel presently oversees completion of multiple briefs in the Oklahoma Court of Criminal Appeals, including a number of briefs due on final deadline in April and May 2022.

For these reasons, I respectfully request an eight (8) day extension of time, until May 10, 2022, to file a response to the petition.

Sincerely,

Cindy Danner
Division Chief, General Appeals Division
Oklahoma Indigent Defense System
