RE: *Duncan v. Bonta*, No. 21-1194
Unopposed Request for an Extension of Time

Dear Mr. Harris:

The petition for a writ of certiorari in this case was filed on February 28, 2022, and the response to the petition is currently due on April 1, 2022. Pursuant to Rule 30.4, respondent the Attorney General of California respectfully requests that the time for filing a response be extended by thirty-one days, up to and including Monday, May 2, 2022 (thirty days from April 1 is May 1, a Sunday). An extension of time would allow for adequate time for internal review and would better enable preparation of a response that respondent believes would be most helpful to the Court. Respondent has also received several requests to consent to the filing of amicus briefs in support of the petition, and the extension would allow time to review those briefs and prepare any response to the arguments made in them. We have been informed that counsel for petitioners does not oppose this request.

Respectfully submitted,

/s/ Samuel P. Siegel
