Re: Al-Maqablh v. Heinz, et al., Case No. 21-1399
Unopposed Request for Extension of Time

Dear Mr. Harris:

I am Counsel of Record for one of the Respondents in in the above-referenced matter, Trooper James Phelps. I am joined in this correspondence by the Hon. Chris Rambicure, who is counsel for Respondent Lindsey Jo Alley. The petition for a writ of certiorari in this case was filed on April 28, 2022. Responses in opposition are currently due on July 1, 2022, after a prior extension was granted to the Respondents by the Court.

Under Rule 30.4, Respondents Phelps and Alley hereby request a further twenty-nine (29) day extension, until July 29, 2022, to file their responses to the Petition. Currently, Respondents are in the process of filing a joint brief in opposition to the Petition, and although initially they expected to be able to meet the July 1, 2022 deadline, additional time to collaborate on the joint filing is needed in order to fully present all issues that are implicated by the petition. In addition, the press of several other new matters for the undersigned also makes timely submission of a brief in opposition difficult absent an extension.

Petitioner was contacted prior to the presentation of this request to the Court, and has indicated, through counsel, that he does not oppose this request.

Most respectfully,
REMINGER CO., LPA

Nathan A. Lennon, Esq.
Counsel for Respondent
Trooper James Phelps
