Re: *Seattle's Union Gospel Mission v. Woods*, No. 21-144

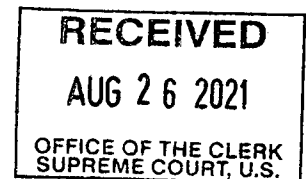

Dear Mr. Harris:

I am counsel of record for Respondent in this case. Additional co-counsel on the case are listed below. I have submitted my application for admission to the United States Supreme Court Bar but am not yet admitted. I acknowledge that the brief in opposition must be filed by a Bar member. I am writing to request a 60-day extension of time in which to file the brief in opposition. The brief is currently due on September 1, 2021; granting this request would make the brief due November 1, 2021 (per Supreme Court Rule 30.1, as the 60th day, October 31, is a Sunday). This request is necessary because of the heavy press of other business at QLaw Foundation of Washington, as well as trials scheduled for myself and co-counsel during the month of October. Petitioner's counsel agreed to this request by email on August 16, 2021.

Thank you very much for your time and assistance in this matter.

Very truly yours,

Jennifer Denise Diskin
