Re: *Twitter, Inc. v. Taamneh, et al.*, No. 21-1496

Dear Mr. Harris:

On October 3, 2022, the Court granted the conditional petition for a writ of certiorari in the above-captioned case. Under the Court's rules, Petitioner's opening brief on the merits is currently due on November 17, 2022.

The parties understand that this case will be scheduled in the February argument session. Because of the parties' many scheduling conflicts created by ongoing litigation matters, the parties jointly request an extension of time to file Petitioner's merits brief and the joint appendix and an extension of time to file Respondents' merits briefs. Pursuant to Rule 30.4 of the Rules of this Court and subject to the Court's approval, the parties propose the following schedule:

Petitioner's Brief on the Merits and Joint Appendix:	November 29, 2022
Any Briefs on the Merits by Respondents Supporting Petitioner:	November 29, 2022
Respondents' Brief on the Merits:	January 11, 2023
Petitioner's Reply Brief and Reply Briefs by Respondents Supporting Petitioner:	February 10, 2023

Thank you for your consideration.

Respectfully Submitted,

/s/ Seth P. Waxman
