Re: *Sharon Powell, Petitioner v. Jennifer Snook as Executor of the Estate of Patrick Snook, Respondent*
Petition 21-1559
Motion to Extend Time to Respond to Petition for Writ of Certiorari

Dear Mr. Harris:

Pursuant to Supreme Court Rule 30.4, Respondent Jennifer Snook respectfully moves for an extension of time for filing her response to Appellant Powell's Petition for Writ of Certiorari in the referenced case, until August 4, 2022.

The Petition for Writ of Certiorari was docketed on June 14, 2022. The current due date for the response is July 14, 2021, and the requested extension is 21 days.

Counsel for Respondent seeks the extension due primarily to the recent holidays and a substantial litigation work load. Depositions, hearings and preparation of appellate filings in other cases has proven time-consuming, and several holidays have fallen in short succession.

Because of these matters, in the absence of an extension undersigned counsel is unable by the current deadline competently to devote the time and

resources necessary to preparation of Respondent's brief in response to the certiorari petition in this important wrongful death case.

Counsel is authorized to state that Petitioner, through her counsel, consents to this extension.

Thank you for your kind consideration.

Best regards.

Very truly yours,
