Re: Oklahoma v. Jackson, No. 21-255

Dear Mr. Harris:

I represent Respondent in the case referenced above. Petitioner Oklahoma filed petition for a writ of certiorari on August 16, 2021, and this matter was placed on the docket on August 20, 2021. Respondents' response to the petition is due on September 20, 2021. Pursuant to Supreme Court Rule 30.4, I write to request a thirty (30) day extension of time to file a response to the petition in this case.

In light of the press of other business, counsel requires additional time to fully respond to the arguments presented in the petition. Moreover, counsel for Oklahoma has informed Respondent that it intends to file a new petition that may bear on the petition in Respondent's case. In particular, Oklahoma's petition in Respondent's case relies on arguments Oklahoma made in *Oklahoma v. Bosse*, No. 21-186, which has now been voluntarily dismissed. This week, Oklahoma informed counsel for Respondent that it intended "to file a new petition in a different case by the end of this week that will again fully set forth its arguments for why certiorari should be granted in that new petition, as well as other pending petitions presenting the same issues, including your case." Hence, counsel for Respondent requires time to review the arguments made in that new petition.

For these reasons, I respectfully request a thirty (30) day extension of time, until October 20, 2021, to file a response to the petition.

Sincerely,

/s/ Zachary C. Schauf
