Plaintiff/Appellee.)	

FINDINGS OF FACT
AND CONCLUSIONS OF LAW

(Filed Nov. 12, 2020)

Pursuant to the remand order of the Oklahoma Court of Criminal Appeals (“OCCA”) issued October 9, 2020, this matter is before the court. The parties informally advised the court that they had agreed and stipulated to facts supporting the issues to be determined and submitted an Agreed Stipulation including attached documentation from the Muscogee (Creek) Nation of Oklahoma Citizenship Board that was filed on November 5, 2020. Stuart Southerland appeared on behalf of Appellant, Donta Keith Davis, who was not present. Assistant Attorney General Randall Young appeared for Appellee. Tulsa County First Assistant District Attorney Erik M. Grayless also appeared. An evidentiary hearing was deemed unnecessary.

The Appellant, in his motion to remand for evidentiary hearing filed in conjunction with his Brief-in-Chief claims the District Court lacked jurisdiction to try him as he is a citizen of the Muscogee (Creek) Nation and that his crime occurred within the boundaries of the Creek Reservation. Appellant's claim raises two questions: (a) his Indian status, and (b) whether the crime occurred on the Creek Reservation. These issues require fact-finding to be addressed by the District Court per the OCCA Order Remanding.

I. Appellant's status as an Indian

To determine the Indian status of the Appellant, the OCCA directed the District Court to make findings of fact as to whether (1) Davis has some Indian blood, and (2) is recognized as an Indian by a tribe or the federal government.¹ The Court finds as follows:

Findings of Fact

1. Donta Keith Davis is the named Defendant/Appellant in the above-entitled matter.
2. The parties hereto stipulated and agreed that Appellant has 3/32 degree Creek blood.²

¹ *United States v. Diaz*, 679 F. 3d 1183, 1187 (10th Cir. 2012); *United States v. Prentiss*, 273 F. 3d 1277, 1280-81 (10th Cir. 2001). *Generally Goforth v. State*, 1982 OK CR 48, 6, 644 P.2d 114, 116.

² Exhibit 1, Agreed Stipulation 1.

3. The parties hereto stipulated and agreed that Appellant is an enrolled member of the Muscogee (Creek) Nation and was such at the time of the charged offenses.³
4. The parties hereto stipulated and agreed that the Muscogee (Creek) Nation is an Indian Tribal Entity recognized by the federal government.⁴

Conclusions of Law

Regarding the first determination, the Court answers the first inquiry in the affirmative. The Court adopted the Agreed Stipulation of the parties, including the attached documentation filed on November 5, 2020 and made findings of fact thereon. Donta Keith Davis has 3/32 Creek blood. Although the term “Indian” is not statutorily defined and various terms such as “sufficient”⁵, “substantial”⁶, “significant percentage of”⁷ or “some”⁸ have been used by courts in an attempt to define the quantity of Indian blood required to satisfy this inquiry, the OCCA mandate ordered this Court to determine “whether the Appellant has *some* Indian blood.”⁹ Thus, according to the term used by the

⁸ *United States v. Diaz*, 679 F.3d 1183, 1187 (10th Cir. 2012).

⁹ Order Remanding for Evidentiary Hearing October 9, 2020.

OCCA in its Order, this Court concludes Donta Keith Davis has some Indian blood.

Additionally, the Court answers the second part of the inquiry in the affirmative. The Court adopted the Agreed Stipulation including the attached documentation and made findings of fact thereon. Donta Keith Davis was enrolled as a citizen of the Muscogee (Creek) Nation on September 27, 2001 and was recognized as a citizen of the Muscogee (Creek) Nation at the time of the offenses. The Muscogee (Creek) Nation is an Indian Tribal Entity recognized by the federal government. Therefore, Donta Keith Davis is recognized as an Indian by a tribe or the federal government.

Having answered both inquiries in the affirmative, this Court concludes Donta Keith Davis is an Indian.

II. Whether the Crime Occurred on the Creek Reservation

The OCCA further ordered the District Court to determine whether the crime occurred on the Creek Reservation, referred to as Indian Country.¹⁰ The Court finds as follows:

¹⁰ *McGirt v. Oklahoma*, 140 S.Ct.2452 (2020); 18 U.S.C. §§ 1152, 1153

Findings of Fact

1. The parties hereto stipulated that the crime in this case occurred within the Creek reservation boundaries.¹¹

Conclusions of Law

The final inquiry is answered in the affirmative. This Court adopted the parties' Agreed Stipulation and made findings of fact thereon. Although, the specific address and location of the crimes was not stipulated to by the parties, the parties agreed that the location where the crimes occurred was within the Creek Reservation boundaries. These boundaries were established through a series of treaties between the Muscogee (Creek) Nation and the United States Government, and are explicitly recognized as a reservation defined by 18 U.S.C. § 1151(a). Based upon the Supreme Court's ruling in *McGirt v. Oklahoma*, 140 S. Ct. 2452, 207 L.Ed.2d 985 (2020), this Court concludes that the crime occurred on the Creek Reservation which is Indian Country.

WHEREFORE, this Court finds that Donta Keith Davis is an Indian and that the crimes for which he was convicted occurred in Indian Country for purposes of the General Crimes Act, 18 U.S.C. § 1152 and the Major Crimes Act, 18 U.S.C. § 1153.
