Re: AMN Services, LLC v. Clarke, No. 21-296

Dear Mr. Harris:

On September 13, 2021, this Court docketed respondents' waiver of their right to respond to petitioner's petition for writ of certiorari in the above-captioned case. On behalf of petitioner, I write to inform the Court that, unless the Court calls for a response to the petition before September 29, 2021 (thereby extending the deadline for briefs amici curiae), the United States Chamber of Commerce, the American Staffing Association, the National Association of Travel Healthcare Organizations, and the Atlantic Legal Foundation each have committed to file a brief amicus curiae in support of the petition on or before that date. Petitioner expects that additional amici will also file on or before that deadline to underscore the importance of reviewing the Ninth Circuit's erroneous decision. Petitioner respectfully requests that this letter be distributed with the petition for writ of certiorari.

Sincerely,

Paul D. Clement Counsel for Petitioner
