Re: *AMN Services, LLC v. Clarke*, No. 21-296

Dear Mr. Bickell:

I am counsel for respondents in the above-referenced case. On August 26, 2021, the Court docketed a certiorari petition in this case, and on September 16, 2021, the Court requested that respondents file a response to the petition. Unless extended by the Court, the response would be due on October 18.

Pursuant to Rule 30.4, I respectfully request an extension of 30 days, to and including November 17, 2021. I have several pressing obligations during the upcoming weeks, including a previously scheduled vacation. An extension will allow me to meet these obligations and also to file a response that adequately addresses the points raised in the petition. In addition, counsel for petitioner indicated in a September 14 letter to the Court that several amicus briefs will be filed in support of the petition. The extension will also allow time to consider these additional briefs.

For these reasons, I ask that a 30-day extension be granted. Thank you for your attention to this matter.

Sincerely,

Allison M. Zieve
Counsel for Respondent

Cc: Paul Clement, Counsel of record for Petitioner
