Clerk of the Court
Supreme Court of the United States
One First Street, NE

Re: *Máxima Acuña-Atalaya, et al. v. Newmont Mining Corporation, et al.*,
No. 21-33

Dear Mr. Harris:

On behalf of all respondents in the above-captioned case, I hereby request, under Rule 30.4 of the Rules of this Court, an extension of time to and including October 4, 2021, within which to file a brief in opposition to certiorari in this case. The petition for writ of certiorari was filed on July 8, 2021, and the Court requested a response on August 4, 2021. Respondents' brief in opposition is currently due on September 3, 2021.

This is a first extension request and the 30 days is requested because of counsel's other professional commitments, including a major appellate brief and two in-person appellate arguments that require travel between September 17 and September 23. Counsel for petitioners have asked us to represent that "Petitioners consent to a three-week extension rather than 30 days, because the proposed reply period conflicts with prior commitments and pushes up against a team-member's baby's due date."

Thank you in advance for your attention to this matter, and please do not hesitate to contact me should you need additional information.

Respectfully,

Melissa Arbus Sherry
