### **STATEMENT OF THE CASE**

On June 11, 2020 the Michigan Court Of Appeals AFFIRMED the Petitioner's jury trial conviction in 17-261887-FC. It is attached as APPENDIX -A- 16-pages.

This decision contains three (3) significant errors which contradict the transcripts and certified Court records.

This Petitioner, In Pro se and the State Court Administrator notified the Appellate Court and Michigan Supreme Court of these errors. The State Court Administrator filed Official Notice with the Court(s) attaching documentation.

The Appeals Court refused review citing the matter was before the Michigan Supreme Court. On April 27, 2021 the Supreme Court DENIED Petitioner's application for review.

It is attached as APPENDIX -B- 1-page.

The Petitioner now seeks redress in this United States Supreme Court.

The Petitioner is a U.S. Citizen being denied Equal Protection and Due Process of Law by the State of Michigan.

## REASONS FOR GRANTING THE PETITION

The State Court committed three (3) critical errors in reaching a decision on the appeal of right. These errors caused a Constitutional violation resulting in a actually innocent man being held in prison. But for these errors the Petitioner would have been given a new trial.

ERROR 1: Appendix -A- page 3, para. 1 states, ..."neither translator had been court certified..." this error caused the Court to give equal weight to the testimony of Hasan Salman a defense witness and the State witness who in fact was not properly certified by the State Court Administrator Office.

Hasan Salman testified, APPENDIX -F- and provided his State Court Certification, APPENDIX -C- . This same documentation was provided to the Appeals Court and Michigan Supreme Court by the State Court Administrator during the direct appeal process upon the request of this Petitioner.

ERROR 2: APPENDIX -A- page 8-<sup>1b</sup> states, ..."plaintiff represents Khalasawi was already ordered to be deported by a immigration court and was appealing the decision..."

The Petitioner's APPENDIX -D- and -E- are court records which plainly show Khalasawi was not under a deportation order when he testified in the criminal matter.

ERROR 3: APPENDIX -A- page 12-13 states, ..."The Defendant assumes the rescheduling was a benefit of Khalasawi as received as a part of a plea agreement..."

The Petitioner's APPENDIX -D- and -E- are definitive evidence of postponing the jury trial due to the cooperation agreement.

These errors are significant and clearly a fundamental error in the appeal of right review process. The Petitioner remains incarcerated, wrongly affirmed for reasons unsupported by the lower court record.,

The State Appeals Court and Supreme Court have been given proper notice and opportunity to correct these errors resulting in a manifest miscarriage of justice.

The Petitioner, a U.S. Citizen now seeks redress in this United States Supreme Court.

#### CONCLUSION

The petition for a writ of certiorari should be granted.

Respectfully submitted,
