Re: *Uber Technologies, Inc., et al. v. Johnathon Gregg*, No. 21-453

Dear Mr. Bickell:

I am counsel for respondents in the above-referenced case. On September 21, 2021, the Court docketed a certiorari petition in this case, and on November 10, 2021, the Court requested that respondents file a response to the petition. Unless extended by the Court, the response would be due on December 10.

Pursuant to Rule 30.4, I respectfully request an extension of 30 days, to and including January 10, 2022. I have several pressing obligations during the upcoming weeks, including multiple major briefing deadlines and hearings. An extension will allow me to meet these obligations and also to file a response that adequately addresses the points raised in the petition. We are also in the process of associating with new counsel to assist with proceedings in this Court, who will need extra time to become familiar with the case.

For these reasons, I ask that a 30-day extension be granted. Thank you for your attention to this matter.

Sincerely,

Jahan C. Sagafi
Counsel for Respondent
