Supreme Court of the United States

Re: *National Pork Producers Council, et al. v. Karen Ross, et al.*, No. 21-468
Request for Extension of Time

Dear Mr. Harris:

The petition for a writ of certiorari in this case was filed on September 27, 2021, and the Court called for a response on October 19, 2021. The response to the petition is currently due on November 18, 2021. Pursuant to Rule 30.4, respondents respectfully request that the time for filing a response be extended by thirty days, up to and including Monday, December 20, 2021 (because thirty days from November 18 is December 18, a Saturday). An extension of time would allow for adequate time for internal review and would better enable preparation of a response that respondents believe would be most helpful to the Court. In addition, counsel for petitioners has informed respondents (through a letter submitted to the Court on October 13, 2021) that he expects that at least six amicus briefs will be filed in support of his clients. The extension would allow time to review those briefs and prepare any response to the arguments made in them.

Sincerely,

/s/ Samuel T. Harbourt
