QUESTION(S) PRESENTED

If a State entity, California Department of Corrections and Rehabilitation (CDCR) has ignored a ruling by this Court; which then jeopardized lives and caused injuries and deaths of many many inmates incarcerated in their prison system by refusal to comply with prior ruling regarding overcrowding in the following decades and then in the face of COVID-19 pandemic; and the the current situation is in violation of the 8th Amendment, and the abuses will continue unchecked will this Court ask for the record to be transmitted?

Can this Court order reparations be made by the State to the families of the inmates that died? and injured?

Can this Court enforce prison population reduction to end cruel and unusual punishment?
