Counsel for Respondent

Pursuant to Supreme Court Rule 26.8, the parties jointly move for leave to dispense with the requirement of a joint appendix. The appendix to the petition for writ of certiorari in this case includes all of the relevant lower court opinions and orders. It also contains other record materials potentially bearing on this case. And the parties do not believe that any other portion of the record merits the special attention that would justify the preparation and expense of a joint appendix. In sum, the parties do not believe that a separate joint appendix would materially assist the Court in resolving this case.

For these reasons, the Court should grant the parties' joint motion to dispense with the requirement of a joint appendix.

Respectfully submitted,

DAVE YOST
Attorney General of Ohio
