AFFIDAVIT OF INDIGENCY

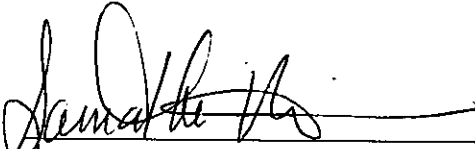

STATE OF TENNESSEE
COUNTY OF HAMILTON

I, Samantha Delane Rajapakse do hereby submit this affidavit to the United States Supreme Court in seeking to enter the court without paying filing fees due to my inability to pay. I have been trying for four(4) years disputing my credit as part of the breach against Equifax Information as a claimant of the breach that occurred in September 2017 (**Claim no. P6RD4-P5F3U**). During this time, I was denied security clearance as a residence of the military base in Fort Leavenworth, KS to live with my Son-in-law and Daughter after finding out I had two credit reporting account with Equifax in my maiden name and married name. Due to me being unable to get military residence as a type 2 diabetic I was denied medical treatment as my son-in law dependant. Because my credit was at 495, I was unable to get a decent residence and had to live in substandard housing. After Credit Acceptance seized by vehicle in 2018, I could not qualify for another auto loan because this creditor continue to report inaccurate information until December 2021 which I have a pending case against Equifax, **Rajapakse v. Equifax no. 1:2020-cv-00080**). In 2018 after waiting for a year to get my personal belongings, Credit Acceptance through Counsel King returned part of it only some papers. As of today I am unemployed and receiving foodstamps and I live at someone's home who I am totally dependant on. I can't afford to pay rent (my half). My daughter and son is assisting me in paying my medical expenses. I am waiting for my unemployment since I filed in May, 2021 and it is pending. I am at limbo because of all the litigation I have had and continue to go through in having my credit corrected. Over the last two years I have had to quit a job due to transportation cost. Taking a lyft back and forth was \$50.00 a day that equal \$250.00 a week, \$1,000.00 a month with wages of 14.00 or less making \$560.00 before taxes on some assignments working as a Temporary or seasonal employee. I have provided to the court and Equifax all documentation from the creditor and the credit reporting agency itself to support by claim but I see that having a well-pleaded motions means nothing when you are being pro se. Because of the nature of my credit, it has been almost impossible to hold down a job, get better housing, and qualify for an auto loan. It has become impossible for me to save or move forward until I clear these issues up. This is why the last few years I have

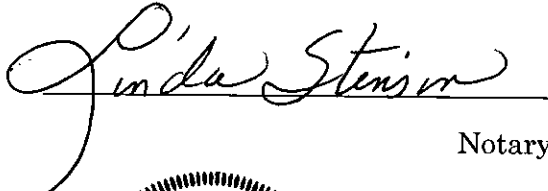

been unable to pay filing fees is due to the Equifax breach and Credit Acceptance errors due to Equifax allowing Credit Acceptance to report inaccurate information and the district court ruling straying away from the opinions of the United States Supreme Court and the Appellate Courts related to this issue.

I, Samantha Rajapakse do hereby affirm on this 12th day of July 2021 the information I am providing is true to the base of my knowledge and I have not committed perjury or provided any false information. Nor has this statement has been made under any duress. I am over the age of eighteen (18) years of age and have full knowledge of this incident. I also affirm a copy of this affidavit and financial information has been provide to the opposing counsel under Supreme Court rule

Sworn before me is Samantha Delane Rajapakse under oath has affirmed the information she is providing is true to the best of her knowledge.
