### STATEMENT OF THE CASE

I am illegally detained by a series of Constitutional violations that add up to create illegal detainment de facto. I have had my Constitutional, Prisoner, and ADA rights violated. Yes, I am in Mental Health but the Constitutional, Prisoner, and ADA rights violations add up to construe illegally detaining me, in total. Not to mention, violating ADA rights while "treating" someone with a disability is ridiculous. These violations are not only wrong in the eyes of the U.S. government, they are wrong according to the Geneva Convention and the Nelson Mandela Rules. I have even had the law broken against me,

### REASONS FOR GRANTING THE PETITION

The Constitution is meant to protect U.S. citizens. Prisoner Rights are meant to protect Political prisoners. The ADA is meant to protect people with mental health problems. The law is supposed to protect civilians from being mistreated and inconsistently punished.

**CONCLUSION**

The petition for a writ of certiorari should be granted.

Respectfully submitted,
