Supreme Court of the United States

Rusk v. Fidelity Brokerage Services, No. 21-5331
Request For Extension of Time to Respond to Petition for Writ of Certiorari

Dear Mr. Harris:

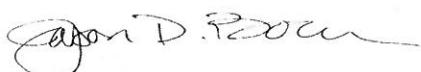

I am counsel for Respondent Fidelity Brokerage Service (“Fidelity”) in the above-captioned matter. Petitioners’ petition for writ of certiorari was placed on the docket August 11, 2021. Per Rule 15.3 of the Rules of the Supreme Court of the United States, Fidelity’s response, if any, is due September 10, 2021. Fidelity hereby respectfully requests that its time to file a response to the petition for writ of certiorari in this case be extended by 30 days to October 11, 2021.

This is Fidelity’s first request for an extension of time to file a response. Good cause exists for the requested extension. Petitioner Rusk’s petition purports to present six questions for resolution by this Court, several of which were not raised below, and attached as an appendix nearly 500 pages of material. Fidelity requires the requested time to evaluate Mr. Rusk’s petition and the associated material to determine what, if any, response would assist this Court in addressing Mr. Rusk’s petition and to prepare a response that Fidelity determines would be most helpful to the Court.

For the foregoing reasons, Fidelity respectfully request that the time for filing a response to the petition for writ of certiorari in this matter be extended by 30 days, to and including October 11, 2021.

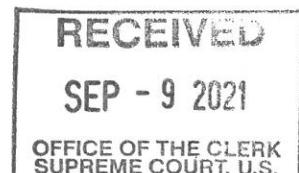

Requesting counsel is not currently a member of the Bar of this Court and acknowledges that any brief in opposition must be filed by a member of the Bar of this Court.

Sincerely,

Jason D. Boren
