I, Ellis Keyes, affirm that my Petition stands on the grounds of equality before the law. This Petition for Rehearing meets the requirements pursuant to rule 44, limited to intervening circumstances of substantial or controlling effect or to other substantial grounds not previously presented. The Supreme Law, Equality before the Law, was ignored in every lower court proceeding as shown in these pleadings herein, evidences on official record, admissible, subject to the administrative and judicial jurisdiction of the United States, identifying the other substantial law not previously considered as the Supreme Law. I further affirm that this Petition for Rehearing is presented in good faith and not for delay.

Respectfully Submitted

Thank you,

Ellis Keyes, Petitioner
