Petitioner file for reconsideration on October 9, 2021, when he received the denied request back to Lower Court to review his compassionate release. On October 19, 2021, petitioner was transferred to U.S. Penitentiary, to participate in the "Life Connection Program" for 18 months when they transferred to Leavenworth, KS. The institution is on lock down status because they are moving 13.00 inmates around the ("BOP") because, this is a prison institution not a "Penitentiary".

Petitioner would like to know the status on the reconsideration Motion file before he was transferred out West Virginia?

Sincerely,

Ronald E. West
