

Case No. 21A12

Supreme Court, U.S.
FILED

JUL 20 2021

OFFICE OF THE CLERK

SUPREME COURT OF THE UNITED STATES

JOHNNY TIPPINS, Petitioner,

vs.

ANTHONY IMMEL, Deputy Warden, et al. - Respondents.

MOTION FOR LEAVE TO FILE EXTRA PAGES
FOR PETITION FOR WRIT OF CERTIORARI

Petitioner Johnny Tippins in forma pauperis/pro se, respectfully request to this Honorable Court permission to be allowed to exceed the required paper limit requirement of 40 pages to 50 pages. Tippins states the reason the petition exceeded the 40 page limit because on direct appeal he did not fully present enough persuasive argument in regards of the Sixth Circuit viewing the evidence in the light most favorable to Petitioner on direct appeal. *Huckaby v. Priest*, 636 F.3d 211, 216 (6th Cir. 2011).

Tippins does recognize that there are repetitions within these arguments presented and the Court had directed not to do so. Again, Petitioner is not a train paralegal nor an attorney and these repetitive acts are done in good faith in support of persuading the Court to grant his petition for writ of certiorari.

WHEREFORE, Petitioner Johnny Tippins respectfully ask this Honorable Court to grant this motion for leave to file extra pages because he exceeded the required 40 ~~page~~ page limit in good faith.

Respectfully submitted,

Mr. Johnny Tipkins
