STATEMENT OF THE CASE

On April 23, 2014 at approx 5:17 p.m., I petitioner Jarvis J. Brown was arrested in connection with 3 counts of arm-robbery of La. R.S. 14:64.3; 1 count of access device fraud of La. R.S. 14:70.4(E)(3); 1 count of possession of marijuana of La. R.S. 40:966. The Petitioner Plead "Not Guilty" to all charges. Being illegal, wrongful, racial and unconstitutional under the presence of God above. In violation of their constitution amendments, laws, State/Federal, Facts, and of my God above whom is forever present given rights as King/Man. In violation of their Constitution of United States 1st, 4th, 5th, 6th, 7th, 8th, 9th, 13th, and 14th Amendments includes all other Amendment that a Free suppose to/should have. In violations of Laws they have which they don't follow every case on with their systems WestLaw and LexisNexis Law all contradicts of their self and ruling/Findings/Judgements/discretions. In violation of Facts I have Sovereignty rights to govern myself under presence of God above and heavenly host through my bloodline and in truths. As well as under the U.S. vs. Dred Scott decision clearly stating blacks/browns are not citizens making/markling my illegal imprisonment under 5th Amend. 14th Amend. and 13th Amendment were they can only convict their citizens. In violation of God above given rights being denied true freedoms true justices true equalities under the presence of God above by racist Judges, clerks, law Clerks, Attorneys, bailiffs, reporters etc. being black in this Native land of Indians called United States.

REASONS FOR GRANTING THE PETITION

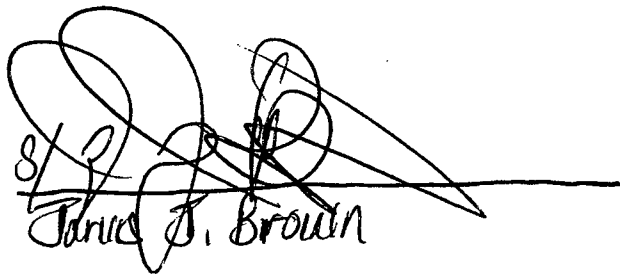

- 1.) I have God above given rights / Sovereignty rights to Freedoms of/in life in the pursuit of True happiness True Peace(s) True Equalities on God above planet earth.
- 2.) I am consider a Black man/King and not a citizen of U.S.A Native Indians Land under/at the case of United States v. Dred Scott (see in Westlaw Dred Scott decision) makes my imprisonment illegal unlawful uncivilized and inhumane (cruel and unusual punishment) under the presence of God above and heavenly host forever present
- 3.) Now if I were/was white my constitutional rights would not be violated of imprisonment. Being Black/Indian my constitutional and God above given rights are violated in every form every voice every action of limited governing people who are very incompetent to their own laws, policies, practices and procedures.
- 4.) Granting / Ordering my release from illegal imprisonment is the right thing to do for the sake of your-selves, myself, and others under the presence of God above warning only comes before destruction - proverbs
- 5.) Now not granting this petition and ordering my release from illegal imprisonment only shows racial injustices that been/is happening for centuries. Now not granting this petition only shows biasness; prejudice / inhumane treatment and to the followers of Satan. Done under the presence of God above.
