REASONS FOR GRANTING THE Petition

.These Case raise the question whether Florida Constitution Article X(homestead, Section 4) and the United states constitution is homestead exemption is one of the most protective in the United States, It grants nearly absolute protection from forced sale except in three special circumstances 1. Payment of taxes and assessments thereon owed to the state, counties and municipalities; 2. Obligations contracted thereon for the purchase, improvement, or repair; 3. obligations contracted with persons in repairing or improving the , field, or other labor performed on the house. (Fla. Const. art.X,4(a). Florida law provides penalties to those violating civil laws, but eli'minating homestead rights guaranteed by the Florida Constitution is not part of the punishment. Homestead exemption applies to all individuals regardless of their class,status, or conduct. Neither the courts nor the legislature can carve out exceptions to the Florida Constitution. Courts have authority to carve out exceptions to enforcement of statutes and causes of action. They can refuse to allow an action to proceed, or impose sanctions against a responsible party, including dismissal, where a party engage in
