IN THE COURT OF APPEALS OF THE STATE OF OREGON

HAMID MICHAEL HEJAZI,
Plaintiff-Appellant,

v.

DOWNTOWN EUGENE, INC.,
Defendant.

Lane County Circuit Court No. 20CV17618

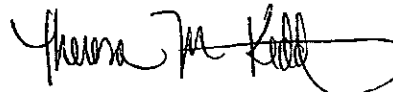

Court of Appeals No. A174873

ORDER OF DISMISSAL

On October 31, 2020, appellant filed a notice of appeal from a general judgment, entered October 2, 2020, dismissing the case for lack of service. Under ORS 19.255, a notice of appeal must be served and filed within 30 days after the date the judgment is entered. Further, under ORS 19.270(2), timely service of the notice of appeal on all parties identified in the notice of appeal as adverse parties is jurisdictional and may not be waived or extended. By appellant's own admission, the notice of appeal has not been served on the respondent identified in the notice of appeal. Any attempt at serving respondent now would be well past the 30 days after entry of judgment requirement.

Therefore, on that ground, the court on its own motion dismisses the appeal.

Appeal dismissed.
