

No. 21-5781

In The  
Supreme Court of the United States

This petition for rehearing is presented on this 28<sup>th</sup> day of December 2021 based on other substantial grounds not previously presented.

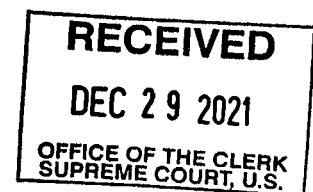

In light of the Biden-Harris justice department labeling parents domestic terrorists, being denied the right of our trafficking case against the U.S. government to even be heard goes even further to erode our ability to receive equal justice under the law.

With a target on our back for protecting our children our Judeo-Christian legacy is under assault. Having honored every guideline and timeline in the District all the way to the U.S. Supreme Court, it is time for Pharoah to let our children go.

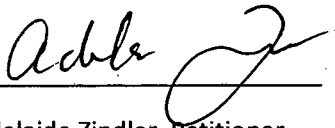

Having disarmed the powers and authorities, Jesus Christ made a public spectacle of them, triumphing over them by the cross (Colossians 2:15). Therefore, all authority has been given to me His representative here in D.C. These United States of America, its government, incorporated forms and other entities known, and unknown are hereby required to return 7 fold what it has stolen from me and my children. The just laws that have been overridden, rewritten or undermined, are hereby restored, strengthened and reaffirmed, and those unjust orders, statues and protocols written or implied are null and void. It is also required that Peter Henry Zindler and all those known and unknown who colluded, collaborated and otherwise aided and abetted him in trafficking my child and I are required to turn over their citizenship, assets and freedom and begin their sentence for each count of obstruction and subversion according to case #21-5781.
