✓ No.

12. Provide any other information that will help explain why you cannot pay the costs of this case.

My job hours was cut beginning January 1st 2021 and the same day my seasonal job ended at F.Y.E., so although some agency and persons contributed to my rent and expenses, my job hours are still beneath part time, I make \$12.50 an hour and the state of New York has not supplied me with any of their Covid relief programs such as I was denied for approximately 3 Covid rent relief assistance of \$650 despite being in a qualifying financial bracket. I haven't been allowed SNAP or TANF because I maintained full time college student status. I was approved of Pandemic Unemployment Assistance but then was denied the amounts stated that I was approved for and been in appeal of that decision.

My functioning has been purely off of resources I have been able to obtain through employment, college funds, and friends from out of state. I have a small debt acquired from this hardship and covid-related hardship that I have been facing. But I have been strategizing to get out of debt and higher income range.

I have been separated from my spouse since June 15th 2020 with a pending divorce on the grounds of irretrievably impaired relationship related reasons. He is also the subject-child's biological father that I have had relationship with since November 2012 and marriage did not make the relationship work or last.

I declare under penalty of perjury that the foregoing is true and correct.
