Re: *Donald Shooter v. Arizona, et al.*
Supreme Court Docket No. 21-606
Motion to Extend Time to Respond to Petition for
Writ of Certiorari

Dear Mr. Harris:

Pursuant to Rule 30.4 of the Supreme Court Rules, Respondents Javan "J.D." and Holly Mesnard, respectfully move for an extension of time to respond to Petitioner Donald Shooter's Petition for Writ of Certiorari (Supreme Court Docket No. 21-606) from November 26, 2021 until **December 24, 2021**. Co-respondents Adams recently requested a similar extension.

The requested extension is necessary in order to balance the work load of counsel for the Mesnards and because undersigned counsel currently is not a member of the Supreme Court Bar. Counsel has only very recently submitted an application for admission to practice before the Supreme Court.

Counsel for Petitioner has advised that Petitioner does not object to this extension request, and that no prejudice will result from the requested extension.

For the foregoing reasons, Respondent Mesnard respectfully requests an extension of the deadline to respond to Petitioner Donald Shooter's Petition for Writ of Certiorari from November 26, 2021 until **December 24, 2021**.

Respectfully Submitted,

HINSHAW & CULBERTSON LLP
