QUESTION(S) PRESENTED

Please be kind to consider my petition in light of facts and lack of legal knowledge I pertain. I am unable to mention names of sections and laws/key laws apply in my case. It is very unfortunate that I have to knock at the door of The Supreme Court of the country to seek justice.

My petitions against Department of Defense are rejected by federal courts; leaving no options for me to approach The Supreme Court of The United States in quest of Justice. With due regards to both the courts, rejected my petition, I want to request The Supreme Court of The United States to help me getting the job I applied for the Department of Defense; I will qualify for.

Concise Statement of the Case

Honorable Judges of The Supreme Court of America,

I applied for the job with Department of Defense for the post of Public Affairs Specialist Vacancy Identification number: 10977280, Position Title: Public Affairs Specialist, Series and Grade: 1035-12. I have over 25 years of experience in the field I applied for the job. Unfortunately, my application was rejected.

Yes, I am denied job despite having qualifications and experience desired by the hiring authorities which is Department of Defense in this case. I am still in great shock and not able to find out whether this discrimination is due to race, color, national origin, or sexual orientation or all. I, however, have full faith in the intellect and legal knowledge of Honorable Judges and very sure that Judges will find out the real reason of job denial to me despite meeting the requirements stated by the institution, DOD, I have filed case against.

Mesdames and Messers! I am greatly disappointed that I got no relief from the Federal Courts I filed the petition to seek relief.

"Title VII of the Civil Rights Act of 1964 is a federal law that protects employees against discrimination based on certain specified characteristics". Hence, I am entitled to file Federal Court as asked by honorable Court.

Furthermore, In a unanimous decision authored by very knowledgeable Justice Ginsburg, endorses my case and point to file the case in Federal Court.

There must be many more cases where plaintiffs like me, got relief from The Supreme Court which Your Honors are aware of and I, being non legal professional, am not.

I exhausted my right to resolve this matter with Department of Defense directly. I sent them emails. I was forced to knock the door of The Supreme Court only due to ad-amend attitude of the institution, DOD, I applied for the job and filed the case eventually.

Yes, my case in lower court was rejected for using the word "mistake" in my petition. I, tried not to over sensitize the matter and used the word "mistake" since I have great respect for the department; where greatest of the greatest "heroes-personnel in uniform " serve. Racism in one of the most reputed Department has shook me to the core.

Relief I request from Court- I want to request Honorable Court to help me procuring the job, Public Affairs Specialist; I deserve for.

With sincere gratitude in anticipation in quest of justice I am,

Sushila Gaur
