C.A. No. 20CA011708

Appellee IN APPELLATE DISTRICT

v.

MARTIN ROBINSON

Appellant

JOURNAL ENTRY

Upon review of the trial court docket and the initial filings in this appeal, this Court concludes that it is without jurisdiction to consider the attempted appeal. Specifically, the trial court docket contains no final order from which a timely appeal could have been filed. See R.C. 2505.02(B); App.R. 4(A). Furthermore, the trial court's December 22, 2020, order entering judgment in favor of Sean Bailey was issued after appellant filed his December 18, 2020, notice of appeal.

The appeal is dismissed. Costs are taxed to the appellant.

The clerk of courts is ordered to mail a notice of entry of this judgment to the parties and make a notation of the mailing in the docket, pursuant to App.R. 30, and to provide a certified copy of the order to the clerk of the trial court. The clerk of the trial court is ordered to provide a copy of this order to the judge who presided over the trial court action.
