1 Statement of the Case

1. I'm not a lawyer. I'm 76 years old retired living with my dear wife Yemima and our daughters in an apartment owned by my dear wife Yemima, also retired. My assets are my 1985 SAAB and my 2006 Kawasaki 500. My income is USA and Israel social security and 45% of my TIAA pension. I request permission to make this petition. I'm acting *pro se*. I request the Court to combine this petition with my docket numbers 18-7160, 18-9390, 20-6525, 20-7892, and 20-8096. I request the Court to accept my papers without notarization since, in Israel, a US citizen can only get court acceptable notarizations from the US embassy by appointment, and none are available now. I request the Court to accept my papers on size A4 paper and not letter size since in Israel it's hard to obtain letter size paper. I request the Court to accept three copies from me since it's difficult for me to prepare 10 copies. I'm sending two copies to Susan, Respondent. My dear wife, Yemima, is retired from her employment as a clerk at Bank Mizrachi. We were married May 9, 1993, after I divorced Susan February 17, 1993. We are blessed with 3 daughters: Hadassah (3/7/1994), Tamar (11/22/1995), and Sapphire Rivka (2/20/1997). Each has a USA social security number.

2. I seek from the Supreme Court of the United States:

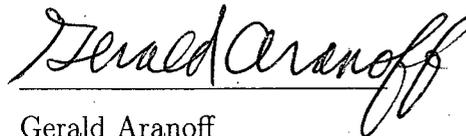

For a decision that NYS courts have no more control over the QDRO that tells TIAA to pay Susan 55% of my pension with no end in sight in violation of ERISA.

2 Reasons for Granting the Petition

Unfair the ruling: Feb 22 2022 The motion for leave to proceed in forma pauperis is denied, and the petition for a writ of certiorari is dismissed. See Rule 39.8. Out of fairness I appeal to the US Supreme Court to free my TIAA pension. Let me be clear. I have no intention to leave Israel. I don't care about the marital house in Brooklyn. I don't care about the \$25,000 fines. I have no intention of writing UPS letters if I get my TIAA pension from here on. I'm not a lawyer. I have no intention of looking for a lawyer to advise me. All I want is my TIAA pension from here on. ERISA forbids such stealing of a person's pension.

3 Conclusion

The petition for a writ of certiorari should be granted.
