Question Presented:

Whether U.S. Judge Edgardo Ramos and U.S. Magistrate-Judge Katharine Parker violated rules of ethics and my right to due process of law when they lied (case 19CV6332-docket 138) to grant a fifteen (15) months stay to defendants of the Deep State-CIA-FBI COINTELPRO domestic assassinations program who routinely carry-out warrantless raids of my apartment to kill me. Exhibit 1.

Statement of the Case:

1---Serving the Deep State, U.S. Senate Select Committee on Intelligence members Charles Schumer, and Kirsten Gillibrand, appointed Ronnie Abrams as Judge of the Southern District of New York, and her husband Greg Andres, as Deputy U.S. Attorney General and later assistant to Special Counsel Robert Mueller.

2---Robert Mueller is the infamous former FBI Director who **five (5) days before 9/11** was named to that position by then U.S. President George W. Bush with the sole mission to cover-up the Deep State-CIA bombing and destruction of the twin towers.

3---On 11-07-2018 the U.S. Attorney for the Southern District of New York tried to investigate 9/11, and was quickly fired. Exhibit 2.

4---I am erroneously included in the terrorists list of the United States government, and as such am persecuted, tortured, and denied due process of law by the Courts. Exhibit 3.

5---The government of the United States publicly accepts that its own Central Intelligence Agency ("the CIA terrorists") as enforcers of the Deep State bombed and destroyed the World Trade Center on September 11, 2001 ("9-11"); slaughtered over 3,000 people almost at front of the federal courthouse; blamed others; massacred over 1-million innocent men, women and children in Iraq; got both political parties to assign billions of dollars to the fake "war on terror" at home and abroad; multiplied the military budget; activated a tyrannical law called The Patriot Act; a secret and omnipotent Court named Foreign Intelligence Surveillance Court; and replaced the U.S. Constitution for a police-state. Exhibits 4,5,6,7.

6---On 6-08-2015, 7-13-2015, and 8-02-2015 I sent letters to then President Barack Obama, Secretary of State John Kerry, Attorney General Loretta Lynch, Senator Charles Schumer, Senator Kirsten Gillibrand, and Congresswoman Carolyn Maloney denouncing the Deep State-CIA-FBI COINTELPRO domestic assassinations program, and demanding release of my file.

7---On 9-28-2015 they retaliated by sending CIA-FBI terrorists accompanied by my landlord, Bellevue South Associates ("BSA") to conduct a warrantless raid of my apartment after breaking the door.

8---They left a handwritten note with the word "intel", and the name of CIA terrorist-N.Y. Regional Director of the Department of Homeland Security, Dennis McGowan, as the person that sent them.

9---They called the raid a "wellness-check".

10---NYPD and federal officials ignored my complaints, and days later planted a surveillance tower at front of my window. Exhibits 8,9.

11---I filed lawsuit 16CV2362 at the Southern District of New York federal Court, which was assigned to Judge Ronnie Abrams, and Magistrate-Judge Kevin Nathaniel Fox who always protected the CIA-FBI terrorists while treating me like a criminal.

12---Since the beginning of this lawsuit the court protection of the CIA-FBI terrorists was such that even the then Chief Judge of the court, Loretta Preska, forced me to pay the filing fee after she disappeared my application to file as a poor person. Case 16CV2362, docket 2.

13---Ordered by Judges Abrams and Fox, the CIA-FBI terrorists and BSA returned on 4-28-2016, broke the door of my apartment for another warrantless raid, handcuffed, kidnapped, and took me by ambulance to HHC Bellevue Hospital to be tortured as a John Doe. Exhibit 10.

14---They called the raid "a wellness-check".

15---Judges Abrams and Fox refused to name the CIA-FBI terrorists as defendants despite ample evidence. Case 16CV2362-dockets 47, 66, 84, 89, 105, 106, 108, 119, 120, 121, 127, 128, 129, 132, 152, 158, 162, 250, 259, 260, 261, 263, 264, 265, 267, 316, 342, 444, 435, 446.

16---Appeal 18-1161 to include the CIA-FBI terrorists as defendants was dismissed by Court of Appeals for the Second Circuit-FISA Judge Jose Cabranes.

17---Abrams, her husband, and Fox continued ordering more attacks against me.

18---The NYPD filed an affidavit stating that the CIA-FBI terrorists, not the NYPD, were responsible for handcuffing, kidnapping, transporting, and torturing me at HHC Bellevue Hospital. Case 16CV2362, docket 210.

19---The FDNY ambulance report states "A MALE ADULT COMPLAINING OF NOTHING". Case 16CV2362, docket 212.

20---During the torture I was assaulted by HHC Bellevue Hospital employees, forcefully injected with drugs that put me to sleep, urine and blood were forcefully taken, and x-rays and MRI's were done.

21---The torture was such that I developed fever of 101 degrees, my two-days old spinal surgery was permanently damaged, and up to this day need medications, treatment, and suffer from PTSD and heart disease.

22---New case 18CV4665 against HHC Bellevue Hospital was commenced without the CIA-FBI terrorists as defendants.

23---On 12-13-2018 CIA-FBI terrorists NYPD Lieutenant Neil Veras, and NYPD Police Officer Patricia de Jesus, used a sledgehammer trying to break the door of my apartment after I denied them access. Video-recorded.

24---On 12-20-2018 Veras, de Jesus, and Detective Christopher Rickford were denied access to my apartment and yelled threats such "we will tell your neighbors that you are a rapist, and a pedophile". Recorded.

25---On 12-21-2018 a community lawyer told me that Veras and de Jesus wanted to arrest me, I surrendered at the 13th police station, was falsely charged with a misdemeanor, taken before a Judge, released without bail, and the case was dismissed days later.

26---On 2-04-2019 I asked Abrams to recuse herself because of bias against me, and that her husband was employed by DOJ as assistant to mass-murderer Robert Mueller. Case 16CV2362, docket 333.

27---On 2-13-2019 I filed Writ of Mandamus 19-395 asking for her recusal. Case 16CV2362, docket 334.

28---**Days later**, on 2-27-2019, Abrams, Andres, and Fox retaliated by ordering the CIA-FBI terrorists to conduct another warrantless raid of my apartment. Exhibit 1.

29---CIA-FBI terrorist-NYPD Lieutenant Neil Veras, NYPD Police Officer Patricia De Jesus, and three (3) other policemen invaded my apartment; falsely charged me with a misdemeanor; Veras ordered the policemen to remove me from the apartment while he and De Jesus stayed behind ransacking the apartment. Exhibit 1.

30---Facing neighbors and friends I was taken in handcuffs out of my apartment and building; paraded at front of a pizzeria which is at issue in this case; taken to the police station; with ankle shackles and handcuffed behind my back taken to HHC Bellevue Hospital Psychiatric Ward; to the police station; to Court; to the police station; to HHC Bellevue Hospital; to the

police station; and to court where handcuffed behind my back I appeared before a Judge who released me without bail.

31---The case was dismissed days later.

32---I filed new lawsuit 19CV6332, but to evade the persecution of Judge Abrams, Andres, and Judge Fox, I was forced to ask the then Chief Judge, Colleen McMahon, to assign it to another Judge.

33---McMahon granted my request but to protect the CIA-FBI terrorists she ordered me to amend the complaint to exclude them from new case 19CV6332. Docket 7.

34---While protecting the CIA-FBI terrorists the Judge of the new case, Edgardo Ramos, and Magistrate-Judge Catherine Parker lied (docket 138) and stayed the case for 15 months.

35---My appeal 21-1990 at the U.S. Court of Appeals for the Second Circuit against the 15-months stay was dismissed.

36---At present the Chief Judge of the Southern District of New York court, Laura Taylor Swain, covers-up the felonies committed by Abrams, Andres, Fox, and others, by refusing to process my FOIA lawsuit 21CV8427 against the U.S. Department of Justice for the release of records including the identity of Neil Veras as a CIA or FBI agent and the role played by Andres working for DOJ prosecuting and jailing giants like Paul Manafort while simultaneously committing crimes against me.

Jurisdiction:

The date in which the U.S. Court of Appeals for the Second Circuit denied this appeal was November 24, 2021.

The jurisdiction of this Court is invoked under 28 U.S.C. section 1254 (1).

Reasons for Granting the Petition:

Rampant corruption at the Southern District of New York federal court, and at the U.S. Court of Appeals for the Second Circuit, must be eradicated.

Conclusion:

Only the Supreme Court of the United States can end the reign of corruption at the Southern District of New York federal court, and at the U.S. Court of Appeals for the Second Circuit.

Relief Requested:

An order to the lower court to process and advance the proceedings of this case 19CV6332; investigate judicial corruption at the Southern District of New York federal court, and at the U.S. Court of Appeals for the Second Circuit; and for any other relief that this Court finds just.
