

Case No: 21-6765

**IN THE
SUPREME COURT OF THE UNITED STATES**

HITOSHI OMBE – PETITIONER

vs.

GEORGE COOK, ET. AL. - RESPONDENTS

CERTIFICATE OF GOOD FAITH

Under the penalty of perjury, I, Hitoshi Ombe, Petitioner Pro Se, declare that PETITION FOR REHEARING is made with good faith and not delay.

The ultimate complaint is that all of my cases were processed by the individuals with strong apathy to disability rights and issues. This PETITION FOR REHEARING is focused on this particular issue. This issue was not presented before. They are promoting a society of disability exclusion. They are Respondents, District Judge, Magistrate Judge, all the Circuit Judges, and Respondent Lawyers. They never did understand the essential fact common to all of my cases because their apathy to disability rights and issues and total lack of understanding the concept of disability. Absolutely nothing was done meaningfully. Instead, they damaged my health and my ability to function before any authority. I am a gravely serious victim of people who promote disability exclusion. It has taken until now to overcome repeated setbacks and ups-and-downs. For the first time, I finally understand the essential issue common for all of my cases.

RESPECTFULLY SUBMITTED,

Hitoshi Ombe, Petitioner Pro Se
