Motion For Rehearing

- 3rd time sent, objecting to the filing of the partial
"writ of Certiorari" failing to include all that was
filed and sent to this Supreme Court clerk. As listed
above a forma pauperis form, from you was filled out
completely and an order from the illegal case without
any "Subject matter Jurisdiction" as "stipulated" to and
accepted by the State of Colorado Attorney General John
Suthers and Jack Wesoky 12-23-08, Latgawa Nation Tribal
Court ordered that it was retaining all "Subject matter
Jurisdiction, ^{EX-AA-19} this all accepted, never object to a higher
tribal court or federal court by the State of Colorado 12-23-08
- The objection is to you filing the case as only "Alan
DeAtley v. Colorado" as just the State case only, this
is not what we filed. This Interfering with a Tribal
Case. Blocking, Interfering, changing our case. This now
under Investigation, You must stop all actions in
this case including reversing the denial as this
case is Stayed by order of the Tribal Court.
- Your action's violated Tribal Law as obstruction of
Justice and filing false and removing documents of
a Tribal Court Orders and Exhibits all filed as one.

- By Filing a partial "Writ of Certiorari" you are miss leading the Supreme Court Judges and committ possible criminal acts, as the concerned citizen, now whistle Blower, C.I. tells that some of these people obstruct and even in some case just destroy parts of (people's) cases, prisoners, Indians, Blacks, discriminating ("as these (people) are wasting our time, we are the Supreme Court of the United States we are busy with important cases not these low life's") and much more. hate speech
- The Latgawa Nation has brough this injustice to "The Supreme Court" because, "As Stated by you The Clerk" An important function of the "Supreme Court" is to resolve disagreements among Lower court's about specific legal questions.
- Another consideration is the importance to the public of the issues. Tribal Courts v. State Court Cases (The title)
- This petition for writ of Certiorari was sent by The Latgawa Nation, Latgawa Land Trust and Alan DeAtley Tribal member, Tribal Sp. Counsel, Tribal Judge. Tribal Court 1st 12-23-08-1-1-09 State 10-6-10

- The State of Colorado stipulated, agreed, gave up any possible "Subject matter Jurisdiction" including all Tribal documents of the Subject matter Jurisdiction in their hands, files, or possession from 12-23-08. Illegal State of Colorado Indictment dated 10/6/10 all past.
- The State of Colorado then stole all the possible, Subject matter Jurisdiction" Tribal documents from, with out any Tribal Court order or any order, from The Tribal Headquarters in Oregon, all on Tribal Land's, violating The Tribal Courts Orders and Tribal Law.
- The Tribal Court has all "Subject matter Jurisdiction" and "Jurisdiction" all Stipulated, agreed, accepted by The State of Colorado and Colorado Attorney General John Suthers and Jack Wesoky 12-23-08 see Ex AA 1-19 this all after following "The Supreme Court precedent requires" See > Nat'l Farmers Union Ins. Cos. v. Crow Tribe of Indians 471 U.S. 845, 855-56, 1055 Ct. 2447, 85 L Ed. 2d 818 (1985) holding that the ex-amination of the "existence and extent of a tribal court's jurisdiction should be conducted in the first instance in the Tribal Court itself" Accordingly, the district court reasoned that appellants had failed to "exhaust Tribal court remedies" as required by The Supreme Court precedent 1st. The Tribal ^{court} has so ordered this made absolute and with mandate that the Tribal court has all "Subject matter Jurisdiction" and Jurisdiction over the Parties and agreements. You must Reverse + Dismiss + Release 2. Alan DeAtley now! So ordered

Alan DeAtley Tribal member and The Theft of Tribal documents (3) ring binders, all Computers, 35,000,000 page counts of the ft and "The Supreme Court" who is without "subject matter Jurisdiction" a federal Court is powerless to act. "At any time" that a State or federal ^{Court} is ordered or determines, that it Lacks Subject matter Jurisdiction, it "must dismiss the action" Fed. R. Civ. P. 12(h)(3). As Particularity relevant here, a Court... Lacks Subject matter Jurisdiction to hear a case if the requirements of Article III of the Constitution are not satisfied.
- The Supreme Court or a justice for an Order Suspending the effectiveness of the Order, denying Certiorari as provided by Supreme Court Rules 16.3. The Mandate can only be placed on The Tribal Court case 09CV08247-01-69. This so ordered made absolute and with Tribal mandate all ready issued.

Alan DeAtley Tribal members used in the illegal Binding a part of this "Subject matter Jurisdiction" with criminal and civil acts against the Tribe and Tribal members Alan DeAtley all with intent to violate the Tribal Courts orders and Tribal Law, this now so ordered as and with Absconding

Background: Indian tribe brought action that State, County's, Local governments were unlawfully trying to displace Tribal authority after the Tribal Court admitted Colorado Attorney General John Suther Jack Wesolky and after "The State of Colorado" accepted Tribal "Restraining Orders" made perminate on 1-1-09, accepted "Tribal Injunction" Orders" made perminate on 1-1-09, accepted "Tribal Stipulated Order" "retaining jurisdiction" of "The Subject matter" (3) Ring Binder, "Tribal Judges" Badge and "35,000,000 pages" Counts of "theft" on "Tribal Lands", "The Tribal headquarters" in Oregon then tryng to sneak it in "Ex-151 (3) Ring Binder" Tribal Chief's note book all about Tribal buisness all on tribal Lands, tries to use it at trial "People v. Alan Deutley" 10 ER 10309 all without any Jurisdiction as agreed back (1-1-09) all with objects No Discovery No witness, No foundation, No due proecess, No List of this Exhibit List all pretrial all again with out "Subject matter Jurisdiction" all clearly knowing that in 12-23-08 The State of Colorado gave all "Subject matter Jurisdiction" up over all Tribal documents in their hands and out, then to steal (3) Ring binder Tribal Chief's note book all Tribal buisness including Dean Myers's files on the Tribal Appraisels, all controlled by the Tribal Court's without question, all Tribal Court's Orders all made Absolute with mandate.

- The Colorado Attorney General John Suther, Jack Wesolky all agreed stipulated to the Tribal Court Orders, Subject matter Jurisdiction is with the Tribal Court accepting all Tribal Court orders without objection or challenges to higher tribal Courts or federal Courts all from 12-23-08 - 3-16-22 all still in place for ever now.
- The Colorado Attorney General John Suther, Jack Wesolky and 1-5000 unnamed A.G.'s and Denver District Attorney Bill Ritter, Mitch Morrissey Joe Morals and 1-5000 unnamed D.A.'s and Denver District Court Judge Rapaport, Judge McCabe, Judge Maddon III, Judge Egelhoff, Judge Valanc, Judge Gerdes, Judge Grant, Judge Shinn, Judge Odell, Judge Munch, and 1-5000 unnamed others with Judges from U.S. District Court Judge Brimmer, Kreigher, Marting, Babcock Blackburn, Moore, Tafoya, Hegarty, Boland 1-5000 unnamed others and Colorado Court of Appeals Judge Welling Furman, Pawar and 1-5000 unnamed others including The Tenth Circuit Court of Appeals Judges Carson, Baldock, Phillips, Gorsuch, and Colorado Supreme Court Judges Rice, Boatright, Coats, Eid, Gabriel, Hood III, Marquez, Campbell, Lucero, Coyle and 1-20,000 unnamed Employees of the State of Colorado.

- All apart of these Tribal Cases where all Tribal documents were all used all under the Tribal courts "Subject matter Jurisdiction" all 23 different ^{Court cases} but all the same Tribal document used all, failing to exhaust all Tribal Courts remedies 1st before moving to federal court this all apart of the Tribal court ruling's all made absolute with mandate, with part of these all merged in part still under way all with no final determination this all a part of The Tribal Court Orders that all Judges, Attorney General, District Attorneys, Governors Department of Revenue, Department of Regulator Agency, Department of Correction, The entire State of Colorado are all acting corruptly all with intent, committing criminal acts all against the Tribe and Tribal members all for there Gain and all Employee's Personal Gain, all with criminal charges pending and with "Default Judgments" in place for years with Sanctions and more damages every day this all Order by the Tribal Court including this as part of the Tribal Court Order all
- the Same, Holding: The Court of Appeals, Gorsuch, Circuit Judge, held that: (1) County's prosecution of tribal member constituted irreparable injury to tribal sovereignty; (2) Anti-Injunction Act did not bar federal court from issuing preliminary injunction; (3) Younger abstention was not warranted; (4) Mutual assistance agreement between state and tribe did not waive tribe's sovereign immunity from suit in state court; (5) doctrine of equitable recoupment did not apply to permit state and County to assert counterclaims; and (6) County attorneys were not entitled to sovereign immunity, this so Ordered,
- All of these Judges, Attorney Generals, District Attorney, Governor's, Department of Revenue, Department of Regulatory Agency, Department of Correction, Attorney's from Public Defender office all new that the State of Colorado had No "Subject matter Jurisdiction" over Alan DeAtley Tribal member, Richard Davis Tribal member but moved forward all without any jurisdiction from 12-23-08 3-16-22 Still No "Subject matter Jurisdiction" state officials chose "to disregard The Stipulated Tribal Court Order 12-23-08 and The binding effect of the Tenth Circuit decision instead they decided to prosecute Tribal members in state Court!

- "The State of Colorado" and "The Federal Court" are all without "Subject Matter Jurisdiction" and without any "Jurisdiction" over our Tribe, Tribal Lands, Tribal members as this Tribe has NOT surrendered to any government this does not need any government to access, if this Tribe meets any standards, set by all Non-Indian with out any jurisdiction over this "Latgawa Nation". This Tribe as a whole has "sovereign immunity" to cover all working for the betterment of the Tribe" all as arms of the Tribe, all for the Tribal Self government's that are created from the date the "Tribal government" was started this all back in the 1862 as all documents were stolen by "The State of Colorado" still possessing all 35,000,000 pages / counts of "The 81st Tribal documents".
- The Latgawa Nation as a part of many bands and being a wandering Tribe all gathering as moving, never surrendering to the government, this Latgawa Nation is a true Indian tribe with this all ordered with now after 49 years made absolute and with mandate all with Self government Order's all the same made absolute and with mandate all Tribal Nation.
- Invasion of tribal Sovereignty constitute irreparable injury warranting injunctive relief, State, County, Federal Prosecution of Tribal members in state court for alleged Tax offenses, but falsely making up charges of theft see: Tribal Court Order 8-25-21 Pg 83310 Grand Juror: Has Mr. Nichols been harmed? Pg 83310 D.A.Ms. Gerdes, if you know! Pg 83312 Ken Jackson, (Nichols accountant) the witness; NOT AT THIS TIME! (3) days Before DeAtley T.M, Davis T.M, Zamzow Acc. where illegally indicted 10-6-10 all without any Tribal documents by Tribal court order where all Subject Matter Jurisdiction is with the Tribal Court 12-23-08 all new they did not have any jurisdiction!
- Randy Nichols P23-23 NO! Grand Jury P24-3 Have you asked him (the account) for any redress to help you? Is he doing your audit

for free or what is he doing to make this up to you? Randy Nichols P.24-6; Well, he hasn't made anything up because we haven't lost anything yet. I mean we took the credits (Tribal credits) in 2005 and 2006. And to date I haven't - that hasn't been over turned! Illegal In-dictment dated 10/6/10 this testimony (3) days before Clearly, No Losses, No fraud, No damages, No crimes, No disallowances, Nothing. This all on Tribal Lands, con-stituted irreparable injury to tribal sovereignty, thus warranting pre liminary injunction barring prosecution in light of State's failure to provide viable legal arguments for its actions and paramount federal policy of ensuring that Indian, Tribal members did not suffer interference with their efforts to develop strong self-government.

- No forgery see Pg 5 § 28 C.D.O.R. Agent Steven Bratten: Did you review the reports then before you signed it or what? Pg 6 § 1 Kermit Allard: um yeah usually I did. Yes but there was one report that went, that went out that I didn't know any thing about until it had been submitted and that's. (Allard allowed Zamzow to sign Allard signature) Pg 6 § 7 Kermit Allard: Yeah, Dave Zamzow did all that work on it! No forgery!
- Dave Zamzow did all that work on it! No forgery!
- D.A.'s, A.G.'s and The Court saw this heard this No Crimes.
- State and its Subdivisions lack authority to prosecute Indians for criminal offenses arising in Indian Country on Tribal Land, with Tribal conservation Easements and Tribal Tax Credits.
- D.A. ms Gerdes Can Mr. Deatley (Tribal member) be responsible for Corporation Taxes? C.D.O.R. Agent Steven Bratten No he can not, they are separate entities.

the Judge was throwing the entire Trial) where, Defense
counsel objected and claimed this item had never been

Discovered! (See TR 1/26/16 p 210) This was not on the exhibit list for Trial with Judges rules applying without question, Answer Brief page 24 Agent Bratten testified that he (Stold) Recovered Ex-151 from the Oregon residence listed as the address of "The Confederated Tribes" (See TR 1/29/16 AM pp 15-16 Ex-11 In addition to this note book, Bratten found additional record (Tribal) relating to DeAtley's "conservation easements" an identification card's and badge for Chief Davis listing him as a Tribal Chief and Stamps that appeared on DeAtley's conservation easements (See TR 1/27/16 AM pp 16-17) Bratten reviewed the contents of Ex-151 and found it contained the names of all the individuals working with DeAtley and the names of those who bought credits (Tribal) from him in 2007 (See TR 1/29/16 AM pp 17-18) Bratten also explained that when he later interviewed Chief Davis he spontaneously identified the Binder as his notes as Tribal Chief Davis all found on Tribal Land, Tribal Headquarters, all Tribal documents (3) ring binder all subject matter Jurisdiction of the Tribal Court all, stipulated to by the State of Colorado Attorney General John Suthers and Jack Wesley 12-23-08 all violating Tribal court orders all clearly without any jurisdiction at all in Oregon at Tribal Headquarters without Tribal Court Order, or permission taking every thing destroying the Tribe no paper work, still in the State of Colorado posection all illegal with criminal charge pending all why'll continuing the Criminal Enterprise with crimes being committ daily now, as Reported by the C.I.'s. The investigations continue on growing larger every day.

- The Tribal Chief John Newkirk stated that the State of Colorado was never to destroy the Latgawa Nation as a whole, as a Tribal Sp. Counsel and Tribal Judge Alan DeAtley Tribal member was as is appointed for life to insure that the Latgawa Nation continues on, as the State of Colorado and the U.S. Courts try to destroy the Latgawa Nation including Blocking, Interfering, Mail Fraud, destroying Tribal Courts orders, motions, including just phone call all being unable to talk to any Tribal members or even counsel, 10. (This requires me to act as appointed.)

- with Tribal Court's Orders all before, with all Jurisdiction.
- Invasion of tribal sovereignty can constitute irreparable injury warranting injunctive relief. County and State's prosecution of tribal members in state court for Tax credit Tribal owned offenses on tribal Land's constituted irreparable injury to tribal sovereignty, thus warranting preliminary injunction barring prosecution, in light of State's failure to provide viable legal argument for its actions and Paramount federal policy of ensuring that Indians did not suffer interference with their efforts to develop strong self-government.
- State and its Subdivisions Lack authority to prosecute Tribal members for criminal offenses arising in Indian Country.
- Anti-Injunction Act's relitigation exception allows federal court to prevent state litigation of issue that previously was presented to and decided by federal court > 28 U.S.C.A. § 2283
- Anti-Injunction Act did not bar federal court from issuing preliminary Injunction barring County from prosecuting tribal members in state court for alleged traffic / Tax credits, Indian owned, including illegal charges of (Coocaa.org) organized crime control act 18-17-104(3) CRS (F2) Conspiracy to commit Theft 18-4-401(1)(4) 18-2-201 CRS (F4) 2(1 count) Conspiracy to commit Forgery 18-5-102(1)(c) 18-2-201 CRS (F6) 3(1 count), Theft, 18-4-401(1)(2)(d) CRP (F-3) 4(1 count), Theft series 18-4-401(1)(4) CRB (F-3) 5, 6 (2 count), Forgery, 18-5-102(1)(c) CRS (F-5) 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, (15 count), Tax Evasion 39-21-118(1) CRS (F-5) 4(counts) offenses on tribal Land see illegal Indictments of DeAtley Davis Zamzow) where federal court had previously ruled that Lands in question is Tribal Land Indian Country > 28 U.S.C.A. § 2283. **Page 18 Illegal Indictment of DeAtley, Davis Tim + Zamzow,**
- For Younger abstention to apply, there must be ongoing state judicial proceeding (Tribal Court has clear S.M.J.), presence of important state interest, and adequate opportunity to raise federal claims in state proceedings. (State of Colorado officials were Extorting the Tribe and Tribal members Alan DeAtley)
- State and County Lacked legitimate interest in (Corruption by the state of Colorado and now The U.S. Court's not dealing with this Corruption, Whistle Blowers are Telling all now.)

- by prosecuting Indians, Tribal members, for crimes in Tribal lands, Indian Country, and thus Younger abstention was not warranted in tribes action to enjoin county's prosecution of tribal members in state court for alleged traffic offenses on tribal land.
- Indian tribe is subject to suit only where Congress has authorized suit or tribe has waived its immunity.
 - Doctrine of tribal sovereign immunity extends to counterclaims lodged against plaintiff tribe, even compulsory counterclaims.
 - Indian tribes waiver of immunity must be expressed clearly and unequivocally. This has not happened, so ordered.
 - Mutual assistance agreement between state and tribe did not waive tribal sovereign immunity from suit, even though agreement provide that parties agreed to submit any disputes arising from agreement to federal district court, where agreement also started that agreement did not wave any claims of sovereignty.
 - Doctrine of equitable recoupment did not apply to permit state and county to assert counterclaims for injunction and declaratory relief in Indian Tribes action to enjoin county from prosecuting Tribal members in state court for alleged Tax, Tribal Tax credits offense all on Tribal Land, where county and state did seek money damages or assert equitable recoupment as defense.
 - Under Colorado Law, county attorneys were not arms of state and thus were not entitled to sovereign immunity in Indian tribes action to enjoin county from prosecuting Tribal members in state court for alleged Tribal Tax matters or offenses on tribal land.
 - County attorneys were elected by county residents alone and were paid not from states coffers but out of Countys general fund in amounts fixed by county legislative bodies, West's UCA § 17-53-101.
 - State official chose "to disregard the binding effect of the Tenth Circuit decision". The State has no business doing this. "Only the federal government or Indian tribe may prosecute Indian

Tribal members for criminal offenses. See > DeCoteau v. District County Court 420 U.S. 425, 427 + n. 2, 95 S. Ct. 1082, 43 L. Ed. 2d 300 (1975); > Solem v. Bartlett, 465 U.S. 463, 465 n. 2, 104 S. Ct. 1161, 79 L. Ed. 2d 443 (1984).

> Bartlett, 465 U.S. & 465 n. 2 104 S. Ct. 1161 (citation omitted). But unless Congress provides an exception to the rule--and it hasn't here-- states possess "No Authority" to prosecute Tribal members, Indians for offenses in > Indian Country. > Cheyenne-Appaho Tribes v. Oklahoma, 618 F.2d 665, 668 (10th Cir 1980): > 18 U.S.C. § 1162 (allowing certain states but NOT Colorado to exercise jurisdiction over crimes committed by Indians in > Indian Country).

- The Supreme Court must affirm and show all States these Laws can not be excluded from the States legal process, they must follow them or this will keep happening. If you deny this then you are appart of this corruption against all Tribal members, Indian tribes.

- This Tribal Court found and Ordered that it has "All Subject matter" Jurisdiction" and "Jurisdiction" over theft on Tribal Land, all started 2006 + 2008, still in process, You must exhaust all remedies in Tribal Court 1st, before you go to Federal Court, Not State Court, The D.A. + A.G.'s all know this, Reverse + Dismiss or Transfer to Tribal Court now, So Ordered signed 8/25/21. This Tribal Court is made absolute and now with mandate issued.
- The U.S. Supreme Court requires all matters in Tribal Court be exhaust 1st before you may see if Federal Court has any "Jurisdiction" or "Subject matter jurisdiction".
- The only Jurisdiction that this Tribal Court has order is a Federal rule that this Court the U.S. Supreme was asked to agree as you are required to, that without "subject matter jurisdiction, a federal court is powerless to act and must dismiss the action. This is the same when a state of Colorado dismiss the action. This is the same when a state of Colorado Attorney General, except, a Tribal Restraining Order, an Injunction, a Stipulated Order, and entered an appearance in the Latgawa Tribal ^{Court}, this all done from 9-8-08, 9-3-08 9-15-08, 9-22-08, 12-22-08 Fax From Dept of Law, 12-23-08 with 2/63 Court Orders, ruling all with mandate by the Tribal Court, with 2522 ruling under way still in process, with all "Subject matter Jurisdiction" and Clear Tribal Jurisdiction over crimes on Indian ^{Land} with out question, objection or challenge, including ruling over "Judicial Corruption" in Colorado, Washington, Oregon and U.S. Courts. All of these courts and Attorney Generals and District Attorneys all new they were acting without "Subject matter Jurisdiction" and Jurisdiction on Tribal Lands but they acted with Judicial, Criminal intent any way See Tribal Court Order's 8/25/21, Ex AA (1) (18) including illegal indictment of DeAtty Tim. Davis T.M. Zamzow Ace. Colorado has No Jurisdiction over DeAtty Tim.
- State and Federal Judges, have no immunity when acting as a Judge when taken in complete absence of all jurisdiction
- This includes District Attorneys, Attorney Generals, attorneys and all employees all acting, while knowing they Do not have any Jurisdiction, all but continue moving forward illegally anyway, all as now (16) whistle Blower tell all, now with Two in D.C. telling all, still in place as C.I., Corruption must be stopped.

Conclusion

- This Tribal Court is asking for a Rehearing only to Grant Supreme Court Rule 16.3 a mandate for Plaintiff, Petitioner Only. The Defendants are with out any "Subject matter Jurisdiction" and can not receive any such Order as Tribal Court's prior ruling stand. all never objected to or challenge made absolute and with mandate by the Tribal Court.
- This Tribal Court also asking for, as Judge Gorsuch has ruled that ⁽¹⁾ "County prosecution of Tribal members constituted irreparable injury to tribal Sovereignty." ⁽²⁾ "Anti-Injunction Act did not bar Federal court from issuing Perminate Injunction as the Tribal Court has in place at this time See Ex-AA-1-19.
- This Tribal Court also asking for as Judge Gorsuch has ruled that "Anti Injunction Act's relitigation exception allows Federal Court to prevent state litigation of issues that previously was presented to and decide by Federal Court > 28 U.S.C.A. § 2283
- Issuing perminate injunction barring county, State of Colorado from prosecuting Tribal members in State Court for Tax offenses all on Tribal Lands where Tribal Court has all Subject matter Jurisdiction and Jurisdiction over crimes on Tribal Lands and where the exhausting of Tribal Courts remedies must be fully exhausted 1st before moving to possible federal, never State Court. State of Colorado has NO "Subject matter Jurisdiction" and NO Jurisdiction over Alan Delatley Tribal member and Richard Davis Tribal member. Release Delatley.

- OBJECTION, to this clerk filing only part of this Writ of Cert. See "Motion for Rehearing" complete Petition. "Whistle Blower's" tell, this was only the State of Colorado case, not The Tribal that has all of the "Subject Matter Jurisdiction" all stipulated to by Colorado A.C. John Suther and Jack Wesley. Colorado has no S.M.J. over these Tribal documents or Tribal member Alan DeAtley T.M. Tribal Judge and Richard Davis T.M. chief.
- All agreed, stipulated to with Restraining Order + Injunction in place, never objected to by Colorado or any one else.
- mail fraud has been admitted to by Whistle Blower's, this affecting the package and its content. Part was missing from the package, this certificate with now new items added.
- We were told and we wrote a letter asking for a copy to be sent to use to confirm that the total "Writ of Cert." was filed, No response by the Clerk.
- The Whistle Blower's tell that this case of Tribal Court's and Tribal member's along with Blacks are not to be heard by the U.S. Supreme Court, (we are busy with important matters, with hate speech and corruption as the court's are Blocking, Interfering with our access to the court's.)
- This case all starts from "Corruption in Colorado" The Tribal Court has all S.M.J. and all Jurisdiction as Stipulated to.

- This is based on Supreme Court precedent that is Required and The Tribal Court and Tribal members have follow all of these precedent set, Tribal Court first instance in the Tribal court itself, you must exhaust all Tribal remedy 1st before going to Federal court. The State of Colorado have no S.M.J. or Jurisdiction as Stipulated to and must exhaust all remedies 1st in Tribal courts and must release Alan DeAtley T.M. Tribal Judge all for no S.M.J. over DeAtley or all Tribal documents used at Trial as all Stipulated to the retaining Tribal Court S.M.J. over the parties and the S.M. document that were illegally demand and Subpoena. Then all Stolen from the Tribal Headquarters all admitted to by Agent Bratten and A.G. McRenolds see Answer Brief admitting to all theft on Tribal Lands with ^{out} Tribal Court order or permission from the Tribal Land Trust see "Motion for Rehearing"

This continued and
2ND Certificate  Tribal Judge

- This petition was and is sent requesting a "Motion for Rehearing" is presented in good faith and not for any delay. These facts, told again will change all the Judges minds, and we are intitled to a 9-0 ruling that supports Tribal Court's Stipulated Orders with oral orders added, including 'Rein-stated Restraining Order' 1-1-09 permanent and Injunction order made perminate 1-1-09 and all the other Tribal Court's ruling all started in 2006 and still in process, then when the State of Colorado violated The Tribal Court's Orders and Illegally Indicted DeAtley Tribal member, Tribal Judge and Davis Tribal member, Tribal Chief in 10-6-10, all the why'll clearly all new they were acting with out any "Subject matter Jurisdiction" using tribal documents,
