Re: Donald Burns v. Town of Palm Beach - Case No: 21-677

Dear Mr. Harris:

I represent Respondent Town of Palm Beach in the above-captioned case. Pursuant to Supreme Court Rule 30.4, I hereby request a 45-day extension of time in which to file a response to the Petition for Writ of Certiorari. The Petition was docketed on November 3, 2021, and a response to the petition is currently due on December 8, 2021. If extended, the response would be due on January 24, 2022.

This extension is requested to complete preparation of the Town's response, which has been delayed by the heavy press of my earlier assigned workload and deadlines, the intervening holidays, and because I am not presently a member of the Supreme Court. My application was submitted on November 16, 2021. I have been advised that my application is pending and that I should be admitted on or about November 29, 2021.

Counsel for the Petitioner has no objection to the requested extension.

Should you need any additional information, please do not hesitate to let me know.

Respectfully submitted,

JONES FOSTER P.A.
