MEMORANDUM OF POINTS AND AUTHORITIES

I.) ARGUMENTS

28, §1257(a) states in pertinent part:

(a) Final judgments or decrees rendered by the highest court of a state in which a decision could be had, may be reviewed by the Supreme Court by writ of certiorari where the validity of a treaty or statute of the United States is drawn in question or where the validity of a statute of any State is drawn in question on the ground of its being repugnant to the Constitution, treaties, or laws of the United States, or where any title, right, privilege, or immunity is specially set up or claimed under the Constitution or the treaties or statutes of, or any commission held or authority exercised under, the United States

The Petitioner brought his challenge to the Constitutionality of all Nevada, as being written/prepared by three (3) Nevada Supreme Court Justices starting in 1951. This was directed by the Nevada Legislature in Senate bill No. 182 (1951) (Exhibit 1), the later amended in 1953 by Senate Bill No. 188 (Exhibit 2).

When the justices were done with their "act to revise the laws and the statutes of the State of Nevada", the above two (2) Senate bills created a 'permanent' "Commission" for the revision and compilation of the laws in the State of Nevada. The title in Senate Bill No. 188 (1953) is "An Act establishing a permanent commission for the revision, compilation, annotation, and publishing of the Laws of the State of Nevada...." (Exhibit 3 the attachment to Senate Bill No. 2 (Exhibit 4) at least the cover page).

The Petitioner now points the Court to Exhibit S senate Concurrent Resolution No. 1 (1957) which is missing the Constitutionally mandated enacting clause, Nev. Cons Art. 4, 323. This shows that not even the Legislative Process is finished for Senate bill No. 2 (1957) rendering the Nevada Revised Statutes void ab initio.

The Petitioner also points this Court to Exhibits 6 & 7 which is the Legislative Counsels Preface, Legislative Counsels Forward and Gary Wayne Walters Youtube Videos who is the one who originally discovered this issue.

The Petitioner avers that all the Exhibits that are attached prove the following: (1) The Nevada Legislature delegated its authority to three Nev. Sup. Ct. Justices; (2) That three Nev. Sup. Ct. Justices wrote the Laws for Nev.; (3) That the Legislative Process for Senate Bill No. 2 (1957) is not complete; (4) The Nevada Revised Statutes (The Law) is missing the Constitutionally mandated enacting clause Nevada Const. Art. 4, 323. Thus violating U.S. Const. Amend VI, XIII, XIV; and violating the Separation of Powers Doctrine, see also Nev. Const. Art. 3, 31.

The Petitioner avers that ~~is~~ his Petition is a matter of first impression and a matter of

national importance as the State of Nevada has been convicting its citizens under the Law (Nev. Rev. Stat's) pursuant to senate bill No. 2 (1957), illegally since 1957,

CONCLUSION

WHEREFORE The Petitioner prays that this Court will grant his rehearing and move forward with his petition once it reads this Petition for rehearing and sees the evidence proving that Nev. Law is void ab initio.
