Hello Mike,

The unit printer is not working, which is why this is in my atrocious handwriting.

I wanted to follow up on some of your requests.

I am able to send a brief request to your attorney on your behalf when it relates to your reason for being here. (For instance, requesting documentation.) Beyond that, hospital staff is not to be intervening in legal matters, including using unit computers and printers to obtain and copy forms. The law library is the sole resource for this; that is my direction per my supervisor (Cheryl Meyers).

Similarly, I cannot use my state email to transmit anything that is along the lines of personal correspondence, so I cannot send your evaluation to Mr. Ingram, even with an ROI. However, I know your ability to communicate with him is limited so I would be happy to ask him for his email address if that would be helpful.

Sincerely,

Megan Peepre
