9. Do you expect any major changes to your monthly income or expenses or in your assets or liabilities during the next 12 months?

☒ Yes    ☐ No    If yes, describe on an attached sheet.

We have delayed foregone necessary medical and dental expenses in order to pay our recurring bills. We will be incurring those medical and dental costs this year, which reduce our available income and require us to continuously re-prioritize our expenses and debts.

10. Have you paid – or will you be paying – an attorney any money for services in connection with this case, including the completion of this form?    ☐ Yes    ☒ No

If yes, how much? \_\_\_\_\_

If yes, state the attorney's name, address, and telephone number:

11. Have you paid—or will you be paying—anyone other than an attorney (such as a paralegal or a typist) any money for services in connection with this case, including the completion of this form?

☐ Yes    ☒ No

If yes, how much? \_\_\_\_\_

If yes, state the person's name, address, and telephone number:

12. Provide any other information that will help explain why you cannot pay the costs of this case.

With the exception of my retirement annuity, our household income and expenses are highly variable. We are continuously re-prioritizing our expenses. We have outstanding debt which we address when we are able, and often forego. As observed in this budget spreadsheet, we are already giving more than we get. Incurring additional costs at this time would further disrupt our already scarce budget.

I declare under penalty of perjury that the foregoing is true and correct.
