QUESTION(S) PRESENTED

1. Was this case a case of a misunderstanding and/or discrimination of VAWA Rights and Survivors of Domestic Violence? Information that is discussed in the transcripts and are called "delusions" were actually documented incidences of physical violence and stalking in Georgia. I also recited statistics from The National Domestic Violence Hotline Website;
2. Was the original call from Amtrak Officer Little that was made to DC CFSA made in "Bad Faith"? First, Perjury is included in Officer Little's Testimony. I never told him that we (my children and I) were homeless. *I told him that we were visiting DC and we had tickets to travel to church in Baltimore. Officer Little seemed to retaliate against me because I "had all my ducks in a row", showing him tickets and clean clothes for my children (we had just left the laundromat). He could not trespass me and then called DC CFSA as retaliation. This Bad Faith call was "Coercion under DC Code 22-1402-61.

QUESTION(S) PRESENTED

(3). Why was any of my religious communication put on the court records? I communicated with Lane Cyphers, Officer Little, and (Under Duress) in emails to Appointed Counsel and in Court Cases (Under Duress) that I am a Christian Woman who has the right to treat her children through spiritual means such as Prayer and Bible Reading. I also had my Bible open in my hands, my children who were awakened and had to give answers to Lane Cyphers questions while SLEEPY (and these answers were used in court, as well as my answers which were also given while I was sleepy at between 2:30am and 4:00am) (yet earlier the De appeals document says a much later time of 11pm? I stated to these Officers of the law, "When I prayed on the situation, God, Jesus, told me the shelter in which we were referred to by Virginia Williams was not appropriate for my sons Food Allergies. Yet this information was constantly, consistently ignored in the attacks on my mental health. Was this a case of Religious Discrimination?

QUESTION(S) PRESENTED

...cont Question 3: I also stated that "this (Union Station) is where the Lord told me to stay at night with my children until after I scope out the Job opportunity with the DC Police... which was in 12 more days from the date of removal of my children. Keep in mind, we left Union Station 98% of the time for the whole day... taking showers in other places such as the YMCA, going to the library and other places for ~~the~~ Home School Activities. In the DC code 4-1321.06 makes it not a case of Neglect if treatment of children is based on spiritual means,

The United States Constitutional First Amendment also provides Freedom of Religious Expression,

Question 4: Was removal of my children because they were enrolled in GA Homeschool and not DC Homeschool a violation of the McKinney Vento Act?

Question 5: As a Honor Student from Georgia State University School of Policy Studies, was it illegal and Unconstitutional for the DC Court of Appeals to ~~deny~~ Pro Se Representation after I ended the lower cases Pro Se and applied for Pro Se on my appeal application.

QUESTION(S) PRESENTED

6. Was the UCCJGA Emergency Jurisdiction Illegally Applied according to the Law of our Home State which states "no GA Resident or person who is subject to personal jurisdiction in this State on a basis other than physical presence in this state, " (19-9-48, b Official Code of GA)
7. Were my rights Under the Americans with Disabilities ACT Violated because of my Post Traumatic Stress Disorder from Domestic Violence Trauma. My desire to keep my children safe from possible Stalking of their father and his wife... these are things that are *taught to survivors of Domestic Violence during Counseling. Prior to this DC incidence, my children were well educated in the best charter schools in Atlanta. My son with honors. My Daughter was an A, B, C student in 2nd grade. Also my children were not ISOLATED. They attended Public Charter Schools and Rec Centers.

Discussed with a Georgia DFCS worker in September. Why was McKinney Vento Ignored? Why was my removal ~~not~~ Forced, Coerced by Lane Cyphers who told me to "enroll my children in DC Homeschool or he'll take them". This was what I testified in lower court in the Initial Hearing. Initial Hearing. Why wasn't this written or discussed in the appeal?

I stated we were visiting DC, and visiting another place before returning to GA. I also presented GA ID to Lane Cyphers. Also there were numerous assignments presented. I still own them.

- First Amendment (Religious Expression)
- Due process self representation

STATEMENT OF THE CASE

This case originated because of a Bad Faith call retaliation measure by an Amtrak Police Officer and span into a denial and discrimination of all sorts of laws and statutes and rights.

This case may also be rooted in coercion and intent to kidnap children. This case

involves a sensus need and precedent to be set for survivors of domestic

violence. Judges and Officers of the law are not as informed as they should be about

Domestic Violence Trauma. This case also involves a debate of a denial of Religion's

Freedom of Expression and Treatment via

Spiritual means, Disability rights of

parents vs assuming mental incapacitation

There are millions of Christians across the country who all experience communication from

the Higher Power God and Jesus Christ.

The Bible says "My Sheep hear my voice".

It also involves the question "Is removal of

children from their mother cruel and unusual Punishment?
