Attn: Jacob Levitan

Dear Mr. Levitan,

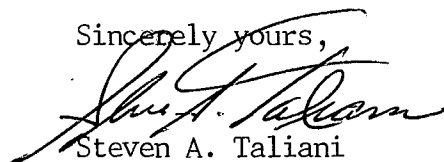

I have the unfortunate news of a massive surge in Covid-19 infections within the correctional center today, which has caused the facility to be placed on a 'medical lockdown' and place those 200+ inmates in quarantine.

Due to this 'medical lockdown' I have lost all access to the prison's law library to conduct research for filing my Writ of Certiorari. And, I understand the Court does not favor extensions of time, however these circumstances are beyond my control, and I ask for some time to get through this recent surge in Covid-19 cases and the prison to try to re-open access to the law library.

Thank you and the Court for understanding the situation I find myself confronted with today.

Please stay safe and healthy.

Sincerely yours,

  
Steven A. Taliani
