I attempted to work between 2011 and 2016 under the threat of mob style intimidation. There is no safe alternative for employment in the Pennsylvania Region. If not for family commitments I would have left this steaming pile of mob trash already. I will not return to work in the state of Pennsylvania. But for this situation, a masters degree and Professional licensure would place my salary between 85 and 125k per yr, between 2014 and 2022. President Trump was correct that there are "shit holes" in the world. However he failed to acknowledge that several of them are mob controlled jurisdictions within the United States. I'm quoting the President, therefore the profanity can't be held against this petitioner. Thank You, Mr. President.
