JUDGMENT FOR WHICH REVIEW IS SOUGHT

The judgment for which review is sought is Linda Baldwin vs. Office of Injured
Employee Counsel (April 15, 2021) (attached as Exhibit 1). The fifth Circuit Appeals Court
State New Orleans, Louisiana denied Applicant's motion for rehearing or modification on
August 3, 2021 (Attached as Exhibit 2).

JURISDICTION

This Court will have jurisdiction over any timely filed petition for certiorari

than 10 days in advance of the filing date for the petition for a writ of certiorari.

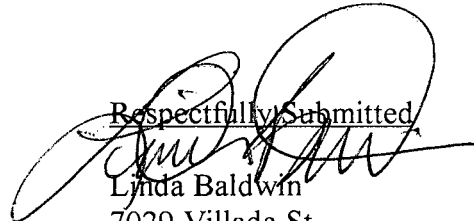

REASONS JUSTIFYING AN EXTENSION OF TIME

Applicant respectfully requests a 60-day extension of time within which to file a petition
for a writ of certiorari seeking review of the decision of the fifth Circuit of the State of Louisiana
in this case. Applicant request extension of time due her covic-19 her illness, as Baldwin, pro se

would not usually ask for a 60-day extension request, See (exhibit 3) as Baldwin, moves this Court to extend the time for the filing of the certiorari initial Brief, and as grounds therefore, states:

1. The issues in this case are complex and involve the constitutionality and of a state and federal statute. 2. Additional time is necessary to prepare a writ of certiorari and given the unusually massive size of the record in this case, and the more than fourteen-years (14) prior litigation history that is also relevant to this appeal, an extension of sixty (60) days is requested to review the materials, and draft the informal opening brief. 3. There will be no prejudice to Appellee in granting this request for extension of time to file the Initial Brief. 4. This Motion is made in good faith, and not merely for purposes of delay.

WHEREFORE, Appellant respectfully requests that this Motion be granted, and that the deadline for the filing of the informal opening brief be extended by sixty (60) days, to and including, December 4, 2021.

Respectfully Submitted,
