Re: 21-7329 *Taylor v. Powell* (Capital Case), Respondent's Brief in Opposition

Dear Clerk of the Court:

Respondent hereby gives notice to the Court and the parties of an error in Respondent's brief in opposition to the petition for writ of certiorari in the above-captioned case.

On page 18 of Respondent's brief, it reads "Even if the Court were writing on a clean slate, Taylor still has shown that the rule he asks for would further the respect for the state courts that federalism requires." This sentence should read "Even if the Court were writing on a clean slate, Taylor still has not shown that the rule he asks for would further the respect for the state courts that federalism requires."

Respondent apologizes for the error.

Sincerely,

A handwritten signature in black ink, appearing to read "Mel Holyoak".

Utah Solicitor General
