Re: Randy Dingle v. Talmage S Baggett, Judge, "et al"  
No: 21- 7408

Dear Clerk of Court:

I Randy Dingle, Plaintiff in the above case. This letter is to request another extension of time to submit the required documents under rules 33.1 to the courts. The reason I am requesting this extension is I did a motion using Rule 40(1). The Clerk of the Supreme Court inform me that my motion would not be look at for approval/or not approval for several months away. Since this is the case, I wish/request to have an extension until September 1, 2022, in which time the 40 booklets will be completed and mail in under Rule 33.1.

This has been a great undertaking, in which I will complete, it has been a challenge to get the booklet in the correct order. It is taking shape. Thank you for your understanding.

So, I pray upon the court to grant my request of extension of time to September 1, 2022.

With Sincerely thanks
