# **The Law of Void Judgments and Decisions**

## **Supreme Court Decisions on Void Orders**

A judgment may not be rendered in violation of constitutional protections. The validity of a judgment may be affected by a failure to give the constitutionally required due process notice and an opportunity to be heard. *Earle v. McVeigh*, 91 US 503, 23 L Ed 398. See also Restatements, Judgments ' 4(b). *Prather vLoyd*, 86 Idaho 45, 382 P2d 910.

The limitations inherent in the requirements of due process and equal protection of the law extend to judicial as well as political branches of government, so that a judgment may not be rendered in violation of those constitutional limitations and guarantees. *Hanson v Denckla*, 357 US 235, 2 L Ed 2d 1283, 78 S Ct 1228.

A void judgment is not entitled to the respect accorded a valid adjudication, but may be entirely disregarded, or declared inoperative by any tribunal in which effect is sought to be given to it. It is attended by none of the consequences of a valid adjudication. It has no legal or binding force or efficacy for any purpose or at any place. ... It is not entitled to enforcement ... All proceedings founded on the void judgment are themselves regarded as invalid. 30A Am Jur Judgments " 44, 45.

It is a fundamental doctrine of law that a party to be affected by a personal judgment must have his day in court, and an opportunity to be heard. *Renaud v. Abbott*, 116 US 277, 29 L Ed 629, 6 S Ct 1194.

Every person is entitled to an opportunity to be heard in a court of law upon every question involving his rights or interests, before he is affected by any judicial decision on the question. *Earle v McVeigh*, 91 US 503, 23 L Ed 398.

## **No Opportunity to Be Heard**

A judgment of a court without hearing the party or giving him an opportunity to be heard is not a judicial determination of his rights. *Sabariego v Maverick*, 124 US 261, 31 L Ed 430, 8 S Ct 461, and is not entitled to respect in any other tribunal.

"A void judgment does not create any binding obligation. Federal decisions addressing void state court judgments include *Kalb v. Feuerstein* (1940) 308 US 433, 60 S Ct 343, 84 L ed 370; *Ex parte Rowland* (1882) 104 U.S. 604, 26 L.Ed. 861:

"A judgment which is void upon its face, and which requires only an inspection of the judgment roll to demonstrate its wants of vitality is a dead limb upon the judicial tree, which should be lopped off, if the power to do so exists." *People v. Greene*, 71 Cal. 100 [16 Pac. 197, 5 Am. St. Rep. 448]. "If a court grants relief, which under the circumstances it hasn't any authority to grant, its judgment is to that extent void." (1Freeman on Judgments, 120c.) An illegal order is forever void.

**Article VI**

**“All debts contracted and engagements entered into, before the adoption of**  
**this Constitution, shall be as valid against the United States under this**  
**Constitution, as under the Confederation. This Constitution, and the laws of**  
**the United States which shall be made in pursuance thereof; and all treaties**  
**made, or which shall be made, under the authority of the United States, shall**

be the supreme law of the land; and the judges in every state shall be bound thereby, anything in the Constitution or laws of any State to the contrary notwithstanding. The Senators and Representatives before mentioned, and the members of the several state legislatures, and all executive and judicial officers, both of the United States and of the several states, shall be bound by oath or affirmation, to support this Constitution; but no religious test shall ever be required as a qualification to any office or public trust under the United States.”

#### **Article 1, Section X**

“All debts shall be payable in gold or silver coin”

#### **Amendment V**

“ No Person shall be deprived of due process of law”

I Affirm, for the Record, that I do not have, or possess, any gold or silver coins, as prescribed by United States Constitution Law, which is the lawful money to pay the restricting demands, conditionally commanded by Employees and Contractors of the Court. The said restrictions (unconstitutional) are arbitrarily (hindering Due Process) and imposed for processing these Documents, as stipulated in the United States Constitution noted above. Therefore, I submit this Writ “In Forma Pauperis”, being an

enjoyment and exercise of my unconditional and Constitutionally - Secured Rights (and not a feudal - fee - burdened privilege) to timely and speedily enforce Due Process of Law, as noted above.

Your demand for a "Financial Statements" is used as an instrument to deny me due process of law and my right to free access to the courts. I introduced evidence in the form of an Affidavit of Fact and marked as Evidence. Someone in the courts tampered with that evidence, which is a Federal Violation, and misrepresented it as a Motion which is discretionary and an assumption that permission must be requested to exercise my Constitutional Rights and an exercise of a right is a Constitutional Right, not a Request and this office knows that. This is a direct violation of my "Secured Constitutional / Treaty Rights which is the Supreme Law of the Land and "Stare Decisis" and a violation of your "Oath of Office". Furthermore as there is no law as prescribed in the United States Constitution stating a "Financial Statement, "Financial Fee (Feudal Law)", or a "Motion" requesting permission must be submitted in order to exercise my Constitutional Rights, your demand is a violation of Amendment IX of the United States Constitution and a violation of your fiduciary duties.

## **Amendment IX**

“ The enumeration in the Constitution, of certain rights, shall not be construed to deny or disparage others retained by the people”

*Where rights secured by the Constitution are involved, there can be no rule-making or legislation, which would abrogate them. Miranda v. Arizona 384 US 436, 125:*

As an Officer(s) of the Court, you and your assigns are bound (or have taken) a solemn Oath (See Article VI) to uphold and Support the Constitution for the United States Republic. Refusal of this ‘Affidavit of Financial Statement’ is construed to deny me timely ‘Due Process’ and will be a ‘Colorable Act’ to violate my secured exercise of a Right. Such an act and imposition is a violation of your Official Oath of office. This can result in additional lawful remedy actions filed against those violating Officers of the Court, Under Title 18 and Title 42, in their official and private capacities. The Law always gives a remedy for the people against color of law actions committed by those who violate their Oaths of Office colluding to abridge the Rights secured for the Natural Beings and the citizens.

I Respectfully, with ‘Good Faith’ and with Honor, by right to unhindered Due – Process, submit this ‘Affidavit of Financial Statement’ and Evidence.

Thank You,

I
