Re: *Amgen Inc., et al. v. Sanofi, et al.*, No. 21-757

Dear Mr. Harris:

The Court granted certiorari in the above-captioned matter on November 4, 2022. Petitioners' opening brief and the joint appendix are currently due by December 19, 2022.

In light of the press of other matters in this and other courts, the parties respectfully request, under Rule 30.4, that the time within which to file petitioners' opening brief and the joint appendix (or joint motion to dispense with filing a joint appendix) be extended to and including December 27, 2022, and that the time in which to file respondents' response brief be extended a corresponding amount of time, to February 3, 2023. Petitioners' reply brief would be due by March 6, 2023, in accordance with Rule 25.3. Counsel for petitioners and respondents have agreed to the schedule proposed above, which would permit oral argument in the first week of the March 2023 session.

Thank you very much for your time, attention, and assistance. Please do not hesitate to call me if you have any questions or concerns.

Sincerely yours,
