12. Provide any other information that will help explain why you cannot pay the costs of this case.
I have paid over \$250,000 in legal fees since 2013. I have not had, nor do I currently have access to community marital assets and have not since 2013. After 20 years of working part-time and staying home to raise 2 young children, I have returned to work. I have been targeted by criminal activity regarding my employment which has sabotaged efforts to work in a position that offers security and a better salary.

I declare under penalty of perjury that the foregoing is true and correct.
